Presiding and Conducting: President Ron Reynolds  
 Prayer and Pledge: Keith Thomas

 Mic duty: Nobody (The mic started with Ted and ended up with Eric Colvin again. We made it through the entire year without Pres. Ron making someone the official “mic” bearer for the meeting!!!!)  
 Newsletter: Obadiah Dogberry, Esq.

**PHOTOS FROM THE MEETING** – Thanks Ted! See below or click [here](#) for online version.

## **VISITING ROTARIANS**

**Philip Hedley** visiting from Melbourne, Australia. He is a retired chartered accountant from the [E-club of South Africa One](#). Because of the time difference between Australia and South Africa, he has to get up at 3:00 a.m. to attend the “electronic” meetings which are held every “fortnight”. He also has served as a “grant auditor” on behalf of Rotary International and has traveled to the Middle East, the United Kingdom, and South America to keep clubs honest. His club also has a Facebook page (check it out [here](#).) He is on a three week honeymoon with his wife (also a Rotarian – see next paragraph) and they are visiting the “wild, wild, west” for a few days before heading to Toronto for the International Convention. (I say “wild, wild, west” because Philip said he was in a restaurant near Zion National Park a day or two ago and was surprised to see one of the patrons was exercising his “open carry” privilege.) Welcome to the USA. His email address is [philip.hedley@bigpond.com](mailto:philip.hedley@bigpond.com).

## SERVICE ABOVE SELF

### The Object of Rotary

THE OBJECT of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST** The development of acquaintance as an opportunity for service;

**SECOND** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service

### The Four-Way Test

OF THE THINGS we think, say, or do:

- 1) Is it the TRUTH?
- 2) Is it FAIR to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all concerned?

### Rotarian Code of Conduct

The following code of conduct has been adopted for the use of Rotarians:

AS A ROTARIAN, I will

- 1) Act with integrity and high ethical standards in my personal and professional life
- 2) Deal fairly with others and treat them and their occupations with respect
- 3) Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- 4) Avoid behavior that reflects adversely on Rotary or other Rotarians

**Gael Traa** also visiting from Melbourne, Australia. She is a retired nurse/business improvement consultant from the [Rotary Club of Rosebud Rye](#). She told us about their awesome [warehouse](#) project. Click on the link for more information. She is a “veteran” Rotarian, having been in 6 clubs over the years, including 4 times as President. As mentioned above, she and Philip are newlyweds and will soon be in Toronto for the Convention.

---

## GUESTS

**Sebastian Swanson** is visiting again. He has applied to become a member of the Southwest Rotary Club. Sebastian recently graduated from UNLV and works at [Westpac Wealth Partners](#).

## ANNOUNCEMENTS

1. **Rebecca Collett** announced that “Debunking” will be held on 6/29 (a Friday evening) at the Mob Museum. Here's an offer you can't refuse! You are invited to join the Family of the Las Vegas Southwest Rotary as we debunk The Don, or as we like to call him, The Ron, Friday, June 29th at the MOB Museum. Be sure to come in your best Mafia attire. You'll be welcomed to the speakeasy (Second Floor Courtroom) – No Snitches Allowed! – for cocktails and hors d'oeuvres at 6:30. At 7:30 the dinner will be served. At 9:30 leave your guns and take your cannolis as the Museum is open for your pleasure till the witching hour of midnight! (All you oldster mobsters be sure to take a nap that afternoon!) You can even meet in the MOB Museum's Speakeasy for an after dinner drink. (Everything with the exception of the Crime Lab Experience and the Use of Force Experience is open for our perusal.) So remember, a little party never killed nobody. See you there.

2. **Karl Maisner** thanked everyone who attended the board retreat last Saturday. A great time was had by all and if you don't believe it, just check out the [pictures](#). He also said that the annual survey will be arriving soon in everyone's “email box” and to make sure that you complete it and send it in.

## RECOGNITIONS

1. **Ted Henderson** was fined \$100 for no apparent reason (at least as far as your note taker could tell from his hastily scribbled notes). Unless it was just for being an all around nice guy and who is also an awesome Rotarian. **Pepe Charles** was fined \$1,034.62 pesos for gallivanting off to Mexico again

2. **Eric Colvin** was reminded about his upcoming wedding anniversary on 6/29. Not to worry, he said, it is all under control. He said that they are

celebrating their 21<sup>st</sup> anniversary. All of them happy. (I'd be happy too if I was married to the [chief financial officer](#) for Clark County!)

3. **Rebecca Collett** was also reminded about her upcoming wedding anniversary. No number was announced as every gentleman knows that you never divulge or elicit information that hints at a woman's age. She said they are celebrating with a "NASCAR" weekend in the Napa Valley. Now that's a wife to hang on to...smart, beautiful, AND a NASCAR fan!
4. **Ted Henderson** interjected something about 3 step mothers...apparently Papa Henderson liked the institution of marriage (just not the marriage partners apparently!) Ted escaped with no fine.
5. **Joe Wittenwiler** was asked about his weekend and he announced that he had just returned from the "[Marine Corps Mud Run](#)" which was held over the past weekend at Camp Pendleton in California. Joe said that he and the spouse did great...and that is saying something because the "Mrs." just had knee surgery a week or so ago. The run included obstacles, mud, lots of people, but fortunately no bullets.
6. **Tom Martin** (currently in Paris or Germany or Lichtenstein or some other such exotic place) apparently texted someone and asked if they had picked up his notebook from the retreat last Saturday. Turns out President Ron had graciously collected it before he left on Saturday and offered to put it in the Rotary "lockup" til Tom returns. Storage charges should be collected, right??
7. **Pres. Ron** advised the club that he would be out of town next week and unable to attend his LAST regular Rotary meeting as President. Says he will be in New York at Madison Square Garden attending his son Dan's "Imagine Dragons" concert. I guess that means we have seen the last of him...well, at least until "debunking"!!
8. **Mark Rowley** was apparently asked the following question, "How many shows?" To which he replied "...3 days a week". (OD – hey, I only write what your scribe sends me. You know how lousy his notes are.) There must have been some meaning there and if you remember what it was, shoot me an email.)

---

## **ROTARY REGALIA**

All must have been in order today as nothing was mentioned.

---

## **JOKE OF THE DAY**

None today.

## **GIFTS FOR THE PRESIDENT**

None (Did you really expect any gifts, Mr. President? After all, we are just coming out of “the great recession!”)

---

## **DRAWING**

**Keith Thomas** (who won \$17, but only because he traded his ticket just before the drawing with Rebecca Collett). Said Keith, “Now, I can afford to feed my family for another week!”

---

**TODAY'S PROGRAM** – Our speaker today was Bradley Meyers. In late April we had Question 3 opponents come speak to the Club and today the proponents of the initiative requested to present their case for energy choice.

Again, Question 3 is a ballot measure often referred to as the Energy Choice Initiative which would amend the Nevada Constitution to require the Legislature to provide by law for the establishment of an open, competitive retail electric energy market that prohibits the granting of monopolies and exclusive franchises for the generation of electricity. Today we have invited Bradley Mayer, who represents “Yes on 3; The energy choice initiative” and is a partner at Argentum Partners, a government and public affairs firm. He got his start in politics working on the campaigns of many of Nevada's top elected officials. Over the last 15 years he has helped elect candidates to offices across Nevada including the Clark County Commission, Las Vegas City Council, North Las Vegas City Council, Henderson City Council, Clark County Sheriff, State Senate, State Assembly, and Judicial offices.

At Argentum, Bradley's work spans several areas including state and local lobbying, land use, political campaigns and strategic communications. Bradley is a Las Vegas native and is married with 3 sons. He holds a B.A. in Economics and an MBA, both from UNLV.
