VISITING ROTARIANS

Randy Pote graced us with his presence today. He is a **Past District Governor** for District 5300 and is an old friend who has been with us many times. He is currently a member of the Las Vegas WON Club. Today he is "ginning up support" for this year's Rose Parade Rotary Float. Apparently in a moment of weakness he agreed to chair this year's float committee (either that or he missed the meeting where the chair was picked!) Check out the flyer attached for more information about how to participate as a volunteer, decorator, walker, rider, etc., etc., etc. Rotary's float won the "Tournament Volunteer Award" last year.

Randy also mentioned that Rotary International leaders have met with leaders from Lions, Optimists, and Kiwanis to explore ways of working together to leverage everyone's ability to help more within their communities and throughout the world.

SERVICE ABOVE SELF

The Object *of* Rotary

THE OBJECT of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST The development of acquaintance as an opportunity for service;

SECOND High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service

The Four-Way Test

OF THE THINGS we think, say, or do:

1) Is it the **TRUTH**?
2) Is it **FAIR** to all concerned?
3) Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4) Will it be **BENEFICIAL** to all concerned?

Rotarian Code of Conduct

The following code of conduct has been adopted for the use of Rotarians:

AS A ROTARIAN, I will

1) Act with integrity and high ethical standards in my personal and professional life
2) Deal fairly with others and treat them and their occupations with respect
3) Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4) Avoid behavior that reflects adversely on Rotary or other Rotarians

Andrew Levy from the Downtown Rotary Club visited us today to "gin up support" for his club's upcoming fundraiser at the Spring's Preserve. It is going to be an authentic "Western Hoedown". Check out the attached flyer for details.

GUESTS

Francesca Gilbert (currently awaiting induction into our club) was in attendance today (AGAIN!) She is sponsored by **Jordana Lane** and is a former member of the Las Vegas Rotary Club. Any bets on how much longer it will take??? ☺

Hank Falstad joined us today as a guest of **Bryan Dziedziak.** Hank, a long-time Southwest Rotary member, said that he had been invited to lunch last Friday by Bryan but Bryan (apparently showing his advanced age and diminishing memory) spaced it and stood him up. To make up for it, Bryan invited Hank to today's Rotary lunch (a good day to attend since prime rib was the menu of the day!) Always good to see Hank.

Athena Bowler attended today as a guest of **Rich Bowler. Athena i**s Rich's better half (and if you thought Rich had a great singing voice, you should hear Athena! They sing a mean duet.)

Todays other guests are all former Southwest Rotary members who served as President of the club at some point during their membership:

1978-79	Fred Kennedy
1983-84	Vern Ratzlaff
1996-97	Joanne Blystone
2001-02	Ed Jamison
2005-06	Gary Chase

ANNOUNCEMENTS

Paul Gustilo announced the schedule for our remaining 2019-2020 Rotary Year Happy Feet events; 3/10 (Tuesday), 4/21 (Tuesday), and 5/7 (Thursday) at the same school as before, William E. Ferron Elementary School (named after a Rotarian). Ferron is located at 4200 Mountain Vista Street, Las Vegas, NV 89121. MAP The school is located south of Flamingo and east of Boulder Highway. Sign up in the book!

Randy Pote mentioned that the Happy Feet program actually originated in Arizona and was brought to North Las Vegas by a fire captain who transferred to NLV from AZ

Fred Fukumoto announced that we would again be participating in a PBS telethon. This year it will be on March 4, 2020. Please arrive at 5:30 p.m. for light dinner and a tour of the facilities at 6:30 p.m. We will be on television from 7:30 p.m. to 9:00 p.m. answering phones. PBS is located at 3050 E Flamingo Rd, Las Vegas, NV 89121

Jordana Lane announced that our annual Gold Raffle will be held on Thursday, March 19, 2020 beginning at 6:00 p.m. Our theme this year is "Golden Nights of Vegas". It will be held at Celebrity Cars located at 7770 Dean Martin Dr., Suite 301, Las Vegas, NV 89139. She said she is distributing tickets beginning today. Remember to take extras to sell to your friends, neighbors, business acquaintances, etc. She is also looking for silent auction items. Gold Raffle is our major fundraiser of the year and provides the majority of the funds for our projects. The event is free for anybody that would like to attend. See the attached flyer for more details.

Pres Sean advised the club that we will be participating at Three Square on Saturday, April 4th, putting together lunch boxes. More information to follow as we get closer to the date.

SPECIAL PRESENTATION

Ted Henderson, club foundation chair, made a special "One diamond pin - Major Donor" presentation to **Joanne Blystone.** She also received a crystal recognition piece. Joanne has always been a generous supporter of Southwest Rotary and continues to support the club even though she is no longer a member. Thank you, Joanne, and congratulations on a wonderful achievement. Our club now has 15 major donors.

PROGRAM

Today was our annual "Past President's Day" program. Each past president in attendance was invited to say something about their year. A full list of club presidents since the club's beginning in 1965 is attached to the newsletter. During the meeting a slide show played on a continuous loop and since many didn't have a chance to watch it, I have uploaded it to our photos website and you can see it by clicking here.

Here is the list of past presidents in attendance and their comments:

1978-1979 Fred Kennedy

Fred said that his age is the same as the year he served as president. He also said that the Gold Raffle started during his year. He said that he would probably come back to the club if we resumed the fabled trips to Death Valley (he mentioned something about using the hallways for a bowling alley…!)

1983-1984 Vern Ratzlaff
Vern said that he was most proud of all the friends and business associates that he made through his association with Rotary. He also said that he was one of the pilots that ferried a lot of Rotarians to Mexico on medical missions. Of course, his flights were always smooth and trouble free (except that one time he had to emergency land on a dirt road in the desert west of Vegas before it was all built up.)

1990-1991 Ted Henderson
Prior to joining our club in 2003, Ted was a member of the University (now Central) Club for many years and served as its President from 1990-1991. He talked about how he was "always so graciously welcomed" when he visited our club and how that was a deciding point in making the decision to join Southwest Rotary. He has been an awesome addition to the club! He is now in about the 15th year of his one year assignment as Foundation Chair.

1994 -1995 Bruce Pope
Bruce talked about our club's involvement with New Vista Ranch during his year including replanting trees that they forgot to water. He also mentioned Howdy Well's generosity in paving their entire 2 ½ acre parking lot. Bruce said he had told Howdy that he would provide the equipment if Howdy would give us a break on the paving. After Howdy and Bruce checked it out, Howdy said he would handle it all with no charge. Our Rotary Wheel was prominently painted on their water tower.

1995-1996 Tom Martin
Tom mentioned that he was introduced to Rotary when Jack Woodcock was president. Tom described his most memorable moments as a Rotarian which were "hands-on" moments, including his favorite which was in Mexico in the operating room as an assistant to Dr. Bob Bierenbaum who was doing plastic surgery on a young boy with a cleft palate. (He did say his assistance was mostly limited to holding the light so Dr. Bob could see.) He also said one of his claims to fame is that he brought Fred Fukumoto into the club.

1996-1997 Joanne Blystone
Joanne said that she was proud to have been the first female president of Southwest Rotary. She also reminded everyone of the many contributions of Jimmy Pettyjohn. We have missed having Joanne in the club as a regular member but are happy that she continues to support Rotary and its programs and also continues to come to our special events.

2000-2001 Bryan Dziedziak
Bryan said that when he became club president he had just left his comfortable job as a CPA at Deloitte, Haskins, and Sells, a national firm, and had started his own business. Fortunately Caryl (his better half) was prescient enough to realize that she could help him during his year and subtly suggested that she would be interested in becoming the club secretary, a task which she carried out with ease and great accomplishment. It was also during Bryan's year that the club began meeting at Lawry's.

2001-2002 Ed Jamison
Ed commented about the many contributions to the community that are made by Rotarians. Also about the many friendships that were made as well. He talked also about his early days in Rotary when we still met at the Port Tack on West Sahara. He also commented on the $500 fine that he received from **Joanne Blystone** on her first day as President and that when he protested that he had just been fined the week before in about the same amount, she replied "Sorry, Ed, it's a new year!"

2002-2003 Richard Bowler
Richard talked about the friendships that come about through Rotary service and attendance at the many lunches and events. And who will ever be able to forget the weekly horoscopes at the meetings when he was president and "Mystic Mona" at his debunking.

2003-2004 Keith Thomas
Keith talked about the Rotary "Centennial" project at the Blind Center of Nevada which included demolition and clean up of the old kitchen so that a new kitchen could be installed. He also talked about the RI President's tree project from a couple of years ago that is still in progress and should be producing fruit soon. He also brought attention to his Rotary shirt which was from his year as President…now that is an old shirt.

2004-2005 Adrienne Cox
Adrienne talked about the trip to Xpujil, Mexico, to build water cisterns with the Fukumotos, Martins, Thomas', and her Rotarian friend from Pahrump. How will we ever be able to forget her "debunking" and her "grape stomping" in full "Lucy" costume a la the famous "I Love Lucy" episode.

2005-2006 Gary Chase
Gary talked about his "arm-twisting invitation" to Rotary from Ed Jamison and the good times during his tenure in Rotary. Gary always kept us up to date on the status of the stock market although the only inside tip we could ever get from him was to "buy low and sell high."

2006-2007 Eric Colvin
Eric talked about the Gold Raffle and the many events that go on during a President's year, such as Happy Feet, Feed the Homeless, music contests, speech contests, international projects…we are a busy club. Eric is also the instigator of the annual football pool which adds about $7k a year to our community projects. He also hosts the annual holiday party!

2007-2008 Doug Malan
Doug commented about the fact that he was probably the only president that didn't "go through the chairs". Apparently the president-elect couldn't fulfill his obligation so Bruce Pope put the arm on Doug to step in and take over. Doug also talked about the hands on projects such as rehabbing houses for "Habitat for Humanity" (although he said there were some scurrilous rumors floating around that the houses were really rental houses owned by Tom and Bruce) and going to Mexico on the medical missions and enduring a very, very, bumpy ride home on the small private airplane (no, not Vern's!).

2010-2011 Melissa Copeland
Melissa talked about her focus during her year which was to get the members to know each other better. Remember the "Name that Rotarian" contest. She still remembers that John McCandless used to sell worms for 2 cents apiece and that Vern Ratzlaff's career (if he were to choose another career) was going to be something in the "espionage" arena. She also mentioned building surgical suites in Mexico.

2011-2012 Aric Graham

Aric talked about his trip to Mexico with the Malan's and others and how they were invited to a dinner one evening at the home of one of the locals. Communication was a bit limited but Aric was able to finally understand that the local family thought that Doug looked just like Bill Clinton and that it might really be him traveling incognito.

2016-2017 Rebecca Collett

Rebecca talked about her involvement in Rotary and how it was enhanced through the programs offered by the district, such as PETS, etc. It is one of the things that has motivated her to continue to be involved at the district level where she is currently serving (again) as an Assistant Governor. She also mentioned that our club social meetings on the third Thursday began during her administration.

2017-2018 Ron Reynolds

Ron mentioned that it took him 40 years to become President. He said he joined in 1977 and for many years kept a very low profile. Times were a little different in those early years and many of the club members were already at the bar before the meetings started and returned to the bar after the meeting was over. He mentioned one meeting where the lady speaker began talking about a very serious subject and then slowly began to shed various articles of clothing. Another time a "lap dance" was apparently an item of interest at the meeting. Times changed and Ron eventually became President and one of the highlights was taking a few of his son's to Chile to do operations and then because of various complications were limited in their ability to do so. So they instead spent 4 or 5 days in the Amazon, which for Ron was a blessing in disguise as he is an amateur biologist, botanist, ornithologist, etc., etc., etc. He also talked about his experiences with Happy Feet, particularly the time when one of the kids he was helping who had no socks, dirty feet and was wearing two left shoes, both of which were too small.

2018-2019 Karl Maisner

Since Karl was conducting he glossed over his year, but a lot was accomplished and he should be proud of the many successful projects and programs held during the year. He has also been instrumental in development of our website.

CONCLUSION

We concluded the meeting by standing and reciting the Four-Way Test:
