PRES. JORDANA'S YEAR BEGINS!!!

Our first live "in-person" meeting since the COVID-19 quarantine began. Today's get together is the first since our meeting on March 9, 2020! So good to see everyone again.

In a surprise move, **Past Pres. Sean Tanko** took control of the podium and commenced the meeting by welcoming everybody. He then proceeded with a formal "passing of the gavel" to our new **President Jordana Lane**. (We haven't been able to properly "debunk" **Past Pres. Sean** (yet) and it is then that we generally install the new president. Don't worry, a proper "debunking" will still occur once the quarantine is over!)

Pres. Jordana (after formally ringing the bell) thanked everyone for their support and said she is looking forward to a great year.

SERVICE ABOVE SELF

The Object of Rotary

THE OBJECT of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST The development of acquaintance as an opportunity for service;

SECOND High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service

The Four-Way Test

OF THE THINGS we think, say, or do:

- 1) Is it the **TRUTH**?
- 2) Is it **FAIR** to all concerned?
- 3) Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4) Will it be **BENEFICIAL** to all concerned?

Rotarian Code of Conduct

The following code of conduct has been adopted for the use of Rotarians:

AS A ROTARIAN, I will

- 1) Act with integrity and high ethical standards in my personal and professional life
- 2) Deal fairly with others and treat them and their occupations with respect
- 3) Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- 4) Avoid behavior that reflects adversely on Rotary or other Rotarians

She then announced that **Francesca Gilbert** would lead us in an invocation and pledge. But first, she presented **Francesca** with a gift and her official Rotary pin. Of course, you will all remember that **Francesca** was inducted on March 9, 2020, the last time we were all together in person. She was a long-time member of another Rotary club but “saw the light” and joined the best club in District 5300. And we are sure it was just a coincidence that her induction coincided with the greatest health and economic crisis since the flu epidemic in 1918 and the 1930 depression! It was just a day or so later that our governor shut down the entire state because of the COVID-19 pandemic.

Francesca Gilbert's invocation was a great introduction for Pres. Jordana's year so your humble scribe asked permission to print it here:

“As we begin the Rotary year anew, let us say a prayer.

Thank you for every seat that has been filled here, today. Thank you for each mind and heart that fills the presence of this room. Thank you for the talents and abilities of our members and the time that is generously given.

Help us strengthen our confidence so that we may work together to make a greater impact. Ready us to make every moment count. Enlighten our minds with truth. Inflamm our hearts with love. Inspire our will with courage. Enrich our lives with service.

Bless this meeting today and all those present, as well as the lives of those we will encounter afterward. Bless Jordana and her board that they may lead us to serve those who are in need. Help us Lord to be a light of hope and serve as an example of your love and mercy.

Amen”

VISITING ROTARIANS

None (Surprise, surprise!)

GUESTS

Dave “Many Hats” joined us today as a guest of **Pres. Jordana**. Ok, ok, his name isn't Dave “Many Hats”, it is actually Dave Sharpe and he is going to be our “First Boyfriend” during **Pres. Jordana's** year. When she introduced him, she said “My guest is Dave and he wears many hats.” As to the “many hats” comment, I can only assume that **Pres. Jordana** was referring to the fact that he has already proven himself indispensable as evidenced by his assistance with all the logistical things that he helped with at **Pres. Jordana's** presidential retreat in Mesquite. And I shan't speculate further.

ANNOUNCEMENTS

Pres. Jordana announced that we will continue to meet on Tuesdays at Lawry's for the foreseeable future. Lawry's has elected to close completely on Monday's. We will continue to monitor the situation as we proceed further with the pandemic.

Pres. Jordana also announced that the "social evenings" are being discontinued in favor of resumption of our traditional "Greenspokes" meetings where an "Avenue of Service" is discussed as part of the evening's socializing. The first meeting will be in August at the home of **Cliff Silverstein**. Exact date to be provided anon.

Keith Thomas announced that the [Interfaith Council of Southern Nevada](#) donated 25 masks (see picture below) to our club. They are available "first come first served" from **Melissa Brooks** in return for a \$5 donation to our Community Service budget. He said he is still working on a mask with our club logo.

Keith also announced that the calendar had been sent out with meeting dates, dark days, etc. so members can start planning accordingly. He will attach another copy to today's newsletter.

Pres. Jordana asked **Keith** to recap some of the charitable activities our club has been involved in since the pandemic began. Since we couldn't participate with our usual hands-on projects such as Happy Feet, Feed the Homeless, etc., the board wanted to make sure our club was "doing something" to help out during the pandemic, therefore, the club made the following contributions:

1. A donation of \$2,500 to [Nevada Partnership for Homeless Youth](#) to help with their increased demand caused by COVID-19.
2. A donation of \$2,500 to the [Nevada Homeless Alliance](#) to help in their placement of corona virus-vulnerable homeless in motel rooms.
3. A donation of \$2,000 to [Project 150](#) to help in their food distribution for Clark County School District homeless students.

4. A donation of \$423 to purchase 100 meals for our “Feed the Homeless” event on 4/29/20. Our in-person participation was not possible due to the quarantine, so this time rather than doing it all ourselves as we usually do, we ordered boxed meals from a local restaurant, [Belmont’s American Eatery](#) in Anthem Village, in order to support it during this difficult time.
5. A donation of \$1,000 to assist in the purchase of cleaning wipes for a hygiene kit project for the Navajo Nation.
6. A donation of \$1,000 to purchase pillowcases for the Navajo Nation. The pillow cases were made by refugees employed by [Lighthouse Charities](#). A full report was previously emailed to the club’s mailing list. Included with the report was a thank you letter from Coconino County, Arizona, where the reservation is located. Keith delivered the check to Lighthouse Charities and toured their facilities (click [here](#) for pictures).

Paul Gustilo announced that our next Feed the Homeless is on July 29th and that we will probably do the same thing we did last time...buy sandwich box lunches from a local restaurant. Final decision probably to be determined during her first official board meeting which will be held on Tuesday, July 21, 2020.

PINS

(Not mentioned...maybe not a thing during Pres. Jordana’s reign?)

RECOGNITIONS

Ed Guthrie was recognized for his recent birthday. **Yes, it was a significant one, NUMBER 70!!!** **Ed** said that he would donate \$5 per year if the club would match the donation and give the full donation to Opportunity Village. Agreed by acclamation.

Rebecca Collett was also recognized for her recent birthday and fined an amount equal to her age plus years in Rotary. \$72, she said. Wow, 50 years in Rotary!

Jeanne Radde also had a recent birthday and was fined in a similar fashion. \$52 she said. Wow, 30 years in Rotary!

Cliff Silverstein also celebrated a recent birthday and received the same fine. \$92 he said. Wow, 70 years in Rotary!

Pres. Jordana also recognized the first five people to return her presidential surveys (although your scribe didn’t hear if any recognition or credit had been given):

1. Ed Guthrie
2. Jack Woodcock
3. Doug Malan
4. Joe Wittenwiler
5. Keith Thomas

GIFTS FOR THE PRESIDENT

Keith Thomas gifted a small sack of premium coffee to **Pres. Jordana** commenting that he isn't allowed to drink it so when someone gives him such gifts, he tries to find an appropriate person who would enjoy it. (Sounds like a classic "regift"!)

Rebecca Collett presented a pair of "cat and dog"-themed socks to our outgoing president **Sean Tanko**.

Pres. Jordana hasn't made a decision yet on what her preferred "Gift for the President" is going to be, so in the meantime, be creative!!

JOKE OF THE DAY

None today.

DRAWING

Ed Guthrie was today's winner.

Pres. Jordana said that this year the pot will roll over to the next week if a winner isn't picked on the first draw. Table pot winners will continue as usual.

Notice: Now Accepting New Applications for Economic Injury Disaster Loans and Advance

In response to the Coronavirus (COVID-19) pandemic, small business owners in all U.S. states, Washington D.C., and territories are able to apply for an Economic Injury Disaster Loan advance of up to \$10,000. This advance is designed to provide economic relief to businesses that are currently experiencing a temporary loss of revenue. This loan advance will not have to be repaid. Recipients do not have to be approved for a loan in order to receive the advance, but the amount of the loan advance will be deducted from total loan eligibility. **SBA will begin accepting new Economic Injury Disaster Loan (EIDL) and EIDL Advance applications on June 15 to qualified small businesses and U.S. agricultural businesses.**

The new eligibility for U.S. agricultural businesses is made possible as a result of the latest round of funds appropriated by Congress in response to the COVID-19 pandemic.

Applicants who have already submitted their applications will continue to be processed on a first-come, first-served basis. For agricultural businesses that submitted an EIDL application through the streamlined application portal prior to the legislative change, SBA will process these applications without the need for re-applying.

Eligible small businesses and agricultural businesses may apply for the Loan Advance [here](#).

Overview

As part of our coronavirus debt relief efforts, the SBA will pay 6 months of principal, interest, and any associated fees that borrowers owe for all current 7(a), 504, and Microloans in regular servicing status as well as new 7(a), 504, and Microloans disbursed prior to September 27, 2020. This relief is not available for Paycheck Protection Program loans or Economic Injury Disaster loans. Borrowers do not need to apply for this assistance. It will be automatically provided as follows:

need to apply for this assistance. It will be automatically provided as follows:

- For loans not on deferment, SBA will begin making payments with the next payment due on the loan and will make six monthly payments.
- For loans currently on deferment, SBA will begin making payments with the next payment due after the deferment period has ended, and will make six monthly payments.
- For loans made after March 27, 2020 and fully disbursed prior to September 27, 2020, SBA will begin making payments with the first payment due on the loan and will make six monthly payments.

SBA has notified 7(a), 504 and Microloan Lenders that it will pay these borrower loan payments. Lenders have been instructed to refrain from collecting loan payments from borrowers. If a borrower's payment was collected after March 27, 2020, lenders were instructed to inform the borrower that they have the option of having the loan payment returned by the lender or applying the loan payment to further reduce the loan balance after SBA's payment.

Borrowers should contact their lender if they have any questions regarding this payment relief.

Additional Debt Relief

For current SBA Serviced Disaster (Home and Business) Loans: If your disaster loan was in “regular servicing” status on March 1, 2020, the SBA is providing automatic deferments through **December 31, 2020**.

What does an “automatic deferral” mean to borrowers?

- Interest will continue to accrue on the loan.
- 1201 monthly payment notices will continue to be mailed out which will reflect the loan is deferred and no payment is due.
- **The deferment will NOT cancel any established Preauthorized Debit (PAD) or recurring payments on your loan.** *Borrowers that have established a PAD through Pay.Gov or an OnLine Bill*
