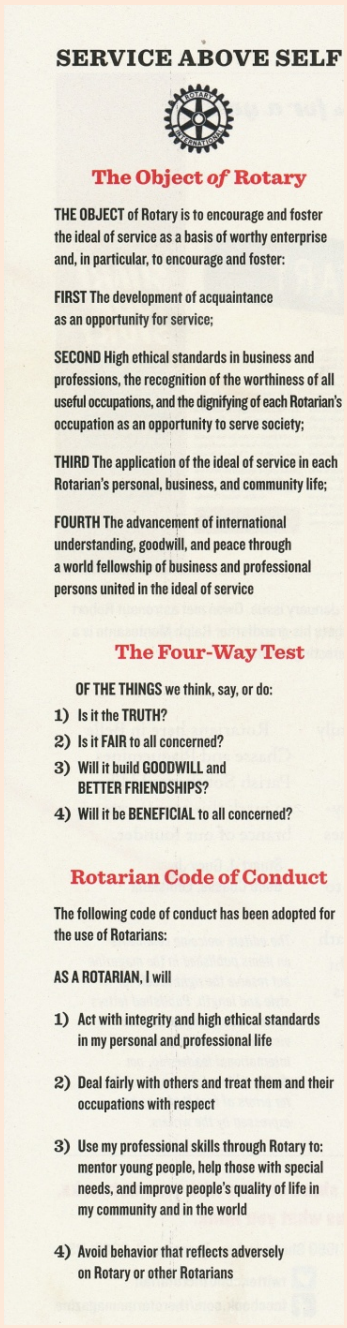
GUESTS

Pres. Jordana introduced a special guest who was in attendance today to help with the "Get to Know President Jordana" contest. None other than No. 1 (and only) daughter, Katie!

ANNOUNCEMENTS

Tom Martin announced that the club social at the "Rockstar Bar" at the Las Vegas Golf Center was a big success. Check out the pictures online or below. Great attendance and we even had 6 or 7 guests. Thanks so much to Tom for organizing everything. He even arranged to have the Golden Knights hockey team playing in the playoffs for our background viewing pleasure. Too bad he didn't arrange for them to win!



Eric Colvin announced that we will be hosting a family picnic on Saturday, July 24th from 12:00 a.m. to 4:00 p.m. at Foxtail Group Picnic Site on Lee Canyon Road on Mt. Charleston. Join us at Foxtail Group Picnic Site It is located on Lee Canyon Road on Mt. Charleston just before you get to the ski area. Click here for a Google map. We have it reserved from 10:00 a.m. to 6:00 p.m. in case you want to come early and do some hiking. We won't be barbecuing hamburgers and hotdogs until around 3:00 or 3:30 p.m. so you may want to plan to arrive around 1 if you aren't hiking. The Foxtail Group Picnic Area has restrooms, open group picnic sites with fire pits, and covered group pavilions with fire places. Parking is limited to 13 cars according to Eric so carpooling is encouraged. There is lots of parking at the ski area which is about 1.5 miles away. Please click here for more picnic area details. The link will take you to the picnic area's page on Recreation.gov.

Paul Gustilo announced that our "Feed the Homeless" is coming up on 6/30/21 and since we are still "pandemically restricted" from serving in person, Bruce Pope will be picking up box lunches from Jason's Deli and delivering them to Amazing Grace Ministries. Thanks Paul and Bruce!!

Cliff Silverstein reminded the club that he is working on an international hands-on project for February of next year. It will be a 7-day trip with a ½ day hands on event installing water filters. The cost is estimated to cost $3,500 for two people, including air and lodging. More details to follow. Contact Cliff if you are interested. Sign up sheet is in the book.

Francesca Gilbert reminded everyone about the lineup of speakers for next few weeks. Invite your friends and future Rotarians, the speakers are stellar:

7/5/21	*DARK*
7/12/21	*John Lee, Mayor of North Las Vegas*
7/19/21	*Myron Martin, President and CEO of the Smith Center for the Performing Arts*
7/26/21	*Neyda Becker, Executive Director, Children's Advocacy Alliance*
8/2/21	*Jonathan Ullman, President and CEO of The Mob Museum.*
8/9/21	*Katherine Miller, Director, Nevada Department of Veteran Service*

Pres. Jordana conducted her "Get to Know **President Jordana**" contest. Katie helped with the contest and was amazed at how hip our club can be. Not only did they know all the answers, but multiple people called out the answers at the same time. (Of course, it helped that the answers have been in the bulletin for the past month and also some unnamed person emailed the answers to the entire club just before the meeting started and also some unnamed person placed copies of the answers on every table just before lunch began…!)

As a reminder, here are the answers:

Number one is that she was born on Easter Sunday, 4/2/72, and Easter hasn't fallen on her birthday since.

Number two is that she was born in Creston, British Columbia, Canada.

Number three is that her favorite type of music is country/western (appropriate since she had just returned from a riotous short vacay in Nashville.)

Number four is that when she was three years old her favorite country singer was John Denver singing "Country Roads" and her two favorite singers now are George Strait and Dirk Bentley.

Number five is that she used to have a fear of public speaking but that her participation in Rotary, etc., has helped her get over it.

Number six was an introduction to her siblings. She has a brother named Nathan who was born in 1996. She also said that her mother had previously given up a baby for adoption and that they eventually reconnected with him. His name is Peter. She also has a half-sister on her dad's side named Nina who lives in Vancouver, B.C.

Number seven is that one of the things she is proudest of is when she built houses in Baton Rouge with Habitat for Humanity in May of 2006. The project was part of a "Super Build" after Hurricane Katrina.

Number eight is that during her time there she was gifted a challenge coin from a retired Lt. Colonel, Dan Bogojevich.

Number nine is that she began her career in real estate in the year 2000 with Showcase Realty in the Yuba/Sutter area in California and received her license in 2003.

Number ten is that after she received her license in 2003, she did more volume in the next eight months than her entire office (at least that is what my notes say!) For said accomplishment she was named "Rookie of the Year"!

So, who were the winners…**Rebecca Collett, Jack Woodcock, Eric Colvin, Joe Wittenwiler, Keith Thomas, Tom Martin,** and **Fred Fukumoto.** There were probably a few others who had all the answers but the aforementioned winners must have had louder voices. Lawry's gift cards for all the winners…yea!!!!

RECOGNITIONS

None (no time).

GIFTS FOR THE PRESIDENT

Cliff Silverstein gifted **Pres. Jordana** with a lovely facemask embroidered with her name. Also on the facemask, "Andale Bar and Grill" in Puerto Vallarta where Cliff and Carolyn spent the past 7 days.

Here is a link to an online jigsaw puzzle. Don't forget that jigsaw puzzles are the preferred gifts (for now).

DRAWING

Keith Thomas was the lucky winner today.

BLAST FROM THE PAST

Each week I try to upload pictures or other memorabilia from the past for your viewing pleasure. Here is a link to our newsletter for 10/23/2000.

PROGRAM

John Olenick was our speaker today. He started 10 minutes early and we could have kept him there for another hour beyond his scheduled end time.

He is currently the Director of Gas Supply for Southwest Gas Corporation. He has over 25 years of energy industry experience working for both Southwest Gas Corporation and NV Energy's predecessor, Nevada Power. He holds a degree in chemistry from UNLV and a Juris Doctorate from the William S. Boyd School of Law. He is licensed to practice law the State of Nevada, the United State District Court for the District of Nevada, and the United States Court of Appeals for the Ninth Circuit.

His current responsibilities include all aspects of Southwest Gas Corporation's gas supply including the negotiation of natural gas, renewable natural gas, and transportation contracts required to meet the needs of the Company's 2 million customers located in Nevada, Arizona, and California.

He started 10 minutes early and we could have kept him there for another hour beyond his scheduled end time given all the questions that were asked.

A copy of his presentation is attached.

Thanks, John, for a great discussion.

CONCLUSION

We ended the meeting by standing and reciting the Four-Way Test.

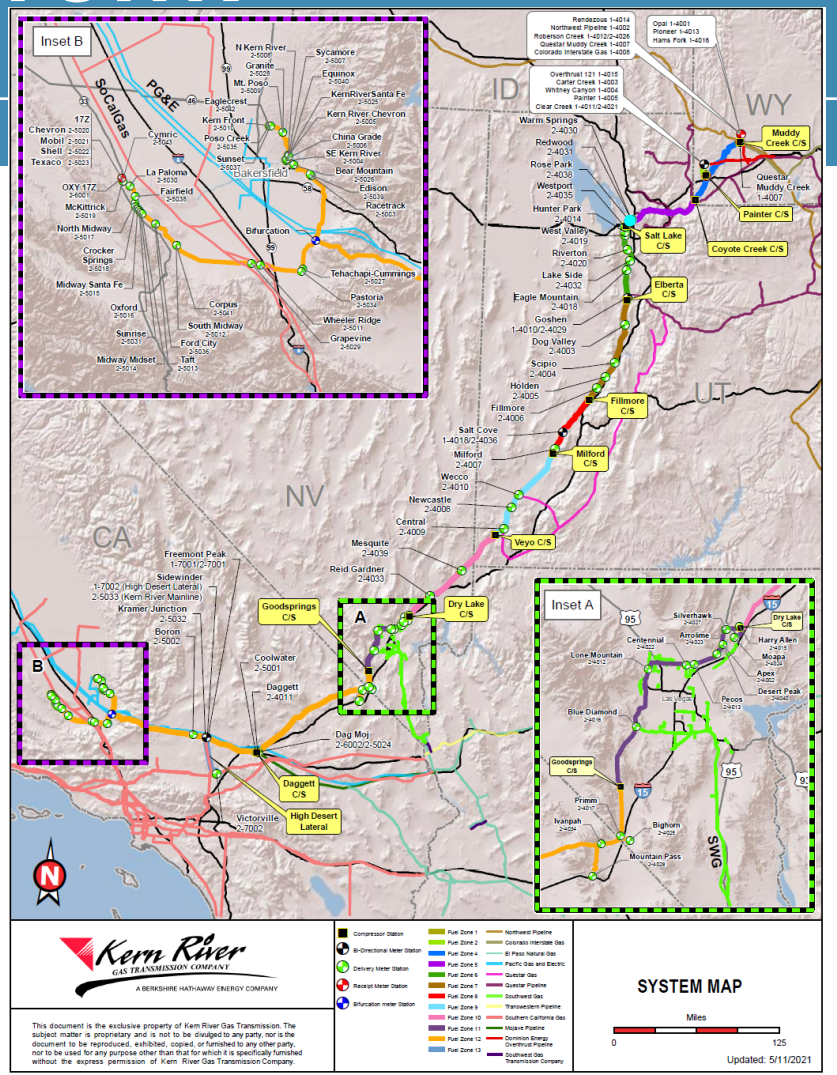
Natural Gas in Nevada

- Natural gas preferred by customers
  - Southwest Gas serves of 90% of the residential customers in its Nevada service territories
  - Modern appliances are very efficient (95% efficient furnaces & tankless water heaters)
  - Surveys show that customers prefer access to natural gas
  - Value: Natural gas bill is usually the lowest of a customer's electricity, cable, or cell phone bill
- Power Generation
  - Between 60% and 75% of Nevada's electricity is fueled by natural gas

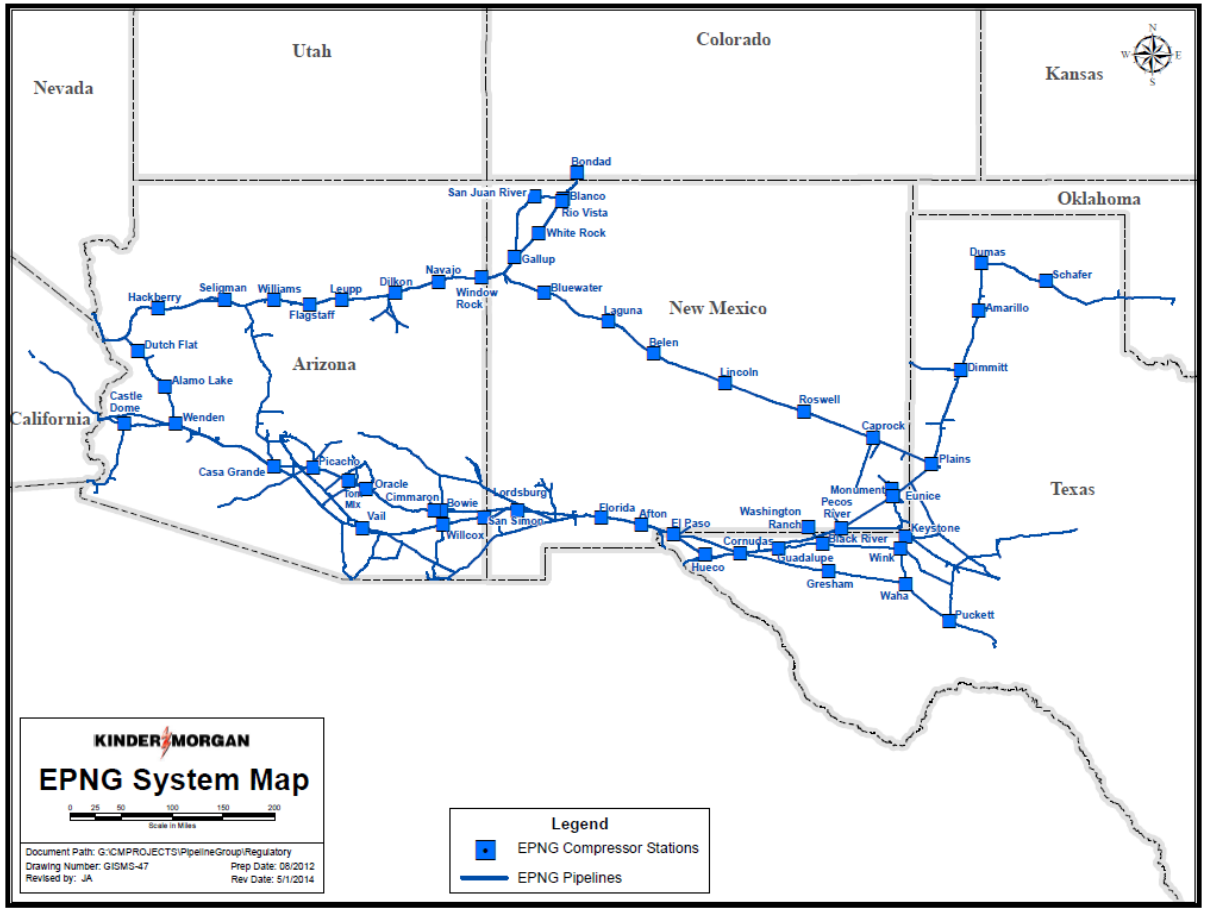
Where does natural gas used in Southern Nevada come from?

- Majority of natural gas for Southern Nevada produced in Wyoming & Colorado
- Kern River Interstate Pipeline
  - In-service 1992
  - Originally built to serve California
  - Expansions in past 30 years to serve Nevada demand
  - Seven delivery locations into Southwest's distribution system
    - Mesquite
    - Apex
    - Pecos
    - Centennial
    - Lone Mountain
    - Blue Diamond
    - Primm



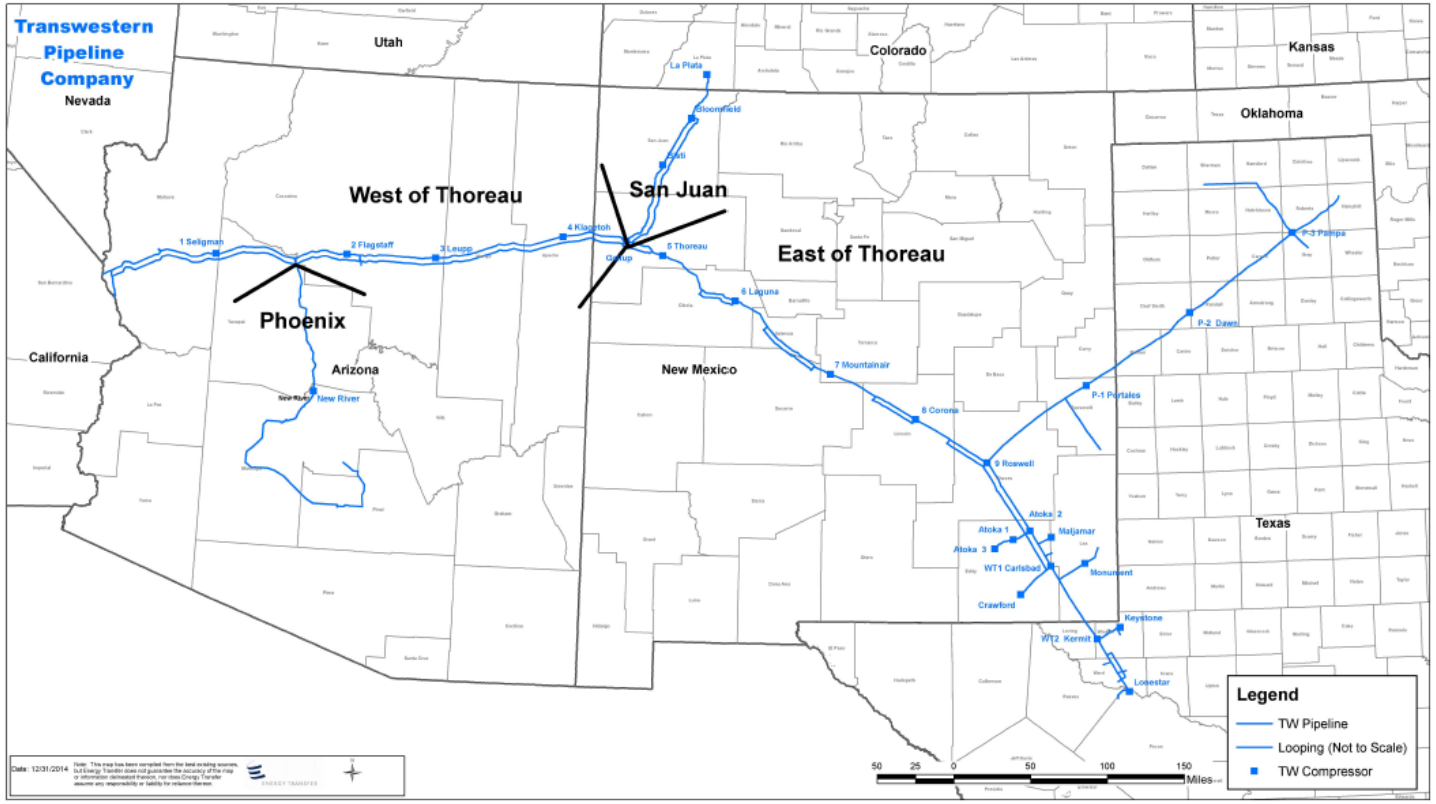
Where does natural gas used in Southern Nevada come from?

- El Paso Natural Gas Interstate Pipeline
  - Provides access to natural gas supplies produced in the San Juan Basin and the Permian Basin
  - Original feed to Las Vegas when natural gas was first available in the 1950's
  - Serves most of the customer in Southwest Gas' Arizona service territories



Where does natural gas used in Southern Nevada come from?

- Transwestern Pipeline
  - Provides access to natural gas supplies produced in the San Juan Basin and the Permian Basin
  - Serves some of the customer in Southwest Gas' Phoenix area demand



Future of Natural Gas

- Pathways to decarbonization
  - Renewable Natural Gas
    - Landfill
    - Wastewater treatment
    - Dairy digesters
    - Diverted waste digesters
  - Hydrogen
    - Electrolyzers powered by excess renewable electricity
    - Steam methane reformation with carbon capture
