VISITING ROTARIANS

Katherine Miller, our speaker today, is a member of the Reno Central Rotary Club where she serves a membership chair.

GUESTS

Les Kaneta joined us again today. Les is a member of the Rotary Club of Ala Moana, Oahu, Hawaii. Les has retired to Las Vegas and has submitted his application for membership to our club. Welcome back, Les!!

Fred Wagar attended today and was accompanying our speaker. Fred is the Deputy Director of Programs and Services for the Nevada Department of Veterans Services. Welcome, Fred!

ANNOUNCEMENTS

Past Pres. Bruce excused **Pres. Jordana** as she is home in COVID quarantine. He also said that Dave Sharpe is in the hospital with serious COVID symptoms and that

SERVICE ABOVE SELF

The Object *of* Rotary

THE OBJECT of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST The development of acquaintance as an opportunity for service;

SECOND High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service

The Four-Way Test

OF THE THINGS we think, say, or do:

1) Is it the TRUTH?
2) Is it FAIR to all concerned?
3) Will it build GOODWILL and BETTER FRIENDSHIPS?
4) Will it be BENEFICIAL to all concerned?

Rotarian Code of Conduct

The following code of conduct has been adopted for the use of Rotarians:

AS A ROTARIAN, I will

1) Act with integrity and high ethical standards in my personal and professional life
2) Deal fairly with others and treat them and their occupations with respect
3) Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4) Avoid behavior that reflects adversely on Rotary or other Rotarians

Francesca's brother is also in the hospital with COVID and to keep them in your thoughts and prayers.

Past Pres. Bruce imposed a $1,000 fine on **Keith Thomas** for an interrupting observation made during **Past Pres. Bruce's** opening comments. Your editor forgot to write down the observation but it might have had something to do with **Past Pres. Bruce's** comment about "no eggs under the Christmas tree" and his apparently "short" memory.

Fred Fukumoto announced our next social evening. Here is his formal announcement:

Rotary membership recruitment

Your Club leadership has scheduled an evening social membership information event for Thursday evening, August 19, 2021 from 5:30 to 7:30 p.m. at Rockstar Bar, 6730 Las Vegas Blvd. inside the Las Vegas Golf Center. Please invite those members of the community that might be interested in joining our Great Club! We will have a member speak about something besides Rotary, but Fred will give a very brief overview of Rotary and its work in this community.

The Club will provide appetizers and buy the first round of drinks; subsequent drinks will be $6 each when you show the bartender or waitress your Rockstar wristband, which you will receive when you check in. Soft drink refills will be free.

If possible, please provide Fred with the names of those you've invited so that he can look for them when they arrive. Fred's contact information – fredsgwen@msn.com or 425-208-2986 for call or text.

FYI to our members, improvements will be made to cordon off a private area for Rotary and there will be no loud music until after our event has ended.

Paul Gustilo announced that Ferron Elementary invited us to the ribbon cutting ceremony for their new building. The ceremony was last Friday at 9:00 a.m. **Paul** and **Fred Fukumoto** were both in attendance and said that our Rotary Club was mentioned frequently with appreciation. He also said that they even had special chairs for us (although we didn't know until later!) Click here to see the pictures (also included below.) **Paul** and **Fred** were both given $100 credits for being there. **Keith Thomas'** fine was mercifully reduced to $250 since even though he wasn't physically in attendance at the ribbon cutting, he must have been there in spirit since his name showed up on one of the reserved chairs. **Paul** said that we will soon be resuming our Happy Feet program depending on the progress of COVID.

Eric Colvin again announced that football season is fast approaching and he will again be running the fundraising pool. If you want the same numbers as last year, let him know ASAP (Fred Fukumoto's family has already signed up! Let's hope they don't sweep the board this year like they did last year. 😊). He said we usually raise around $7,000 for our youth programs. Awesome job, Eric, thanks so much for all you do.

Past Pres. Bruce told a story of a trip he and Beth took to Ely a few years ago for a PEO convention. He said they took a train ride that included a scenic view of one

of the local businesses, the employees of which enthusiastically waved at them. The same business provided free drink coupons that were very well received according to **Past Pres. Bruce.** The name of the business failed to make it into your editor's notes but suffice it to say that it was not located in one of the following counties: Clark, Douglas, Eureka, Lincoln, Pershing and Washoe.

Past Pres. Bruce announced our speakers for the next two weeks:

8/16/21 *D. J. Stanhope, Executive Director, USO Nevada*
8/23/21 *Neyda Becker, Children's Advocacy Center Foundation*

RECOGNITIONS

Karen Strawn fined $500 for her and Tom's recent fishing trip to Alaska. She said they flew to Ketchikan and then to Craig on an island that **Past Pres. Bruce** called "Port Au Prince" but which actually is "Prince of Wales Island". Apparently, we are all geographically challenged because nobody picked up on it. Anyway, they hung out at a private resort where they have been going for about 27 years and did a lot of fishing for king salmon (which they weren't allowed to keep) and halibut and other fish they could keep. Karen was most successful, catching not only the first fish but also the last fish. In all, they brought back 150 pounds. She said that their 5 daughters set it all up and took care of everything (they only have daughters so don't think that us men don't help arrange things too!) Mercifully, **Past Pres. Bruce** reduced her fine to $1 per pound.

Jack Woodcock was asked to give a brief update on the real estate market. NO INVENTORY is apparently the problem out there right now. He said the market is healthy and should stay that way. Warehouses are in particularly short supply with companies looking but unable to find adequate space. The residential market is up 23 percent year over year and inventory is short. He said the office space market is starting to improve.

GIFTS FOR THE PRESIDENT

None

Pres. Jordana's preferred gift for her second year is "animal slippers" or "flip flops" (size 8 ½).

DRAWING

No winner again today. Pot rolls over again.

BLAST FROM THE PAST

Each week I try to upload pictures or other memorabilia from the past for your viewing pleasure. Here is a wedding picture of one of our Rotarians that needs to be identified:

Today's speaker was Katherine Miller, Director of the Department of Veterans Services for the State of Nevada.

Colonel (U.S. Army, Retired) Katherine Miller was raised in Reno and served 34 years in the United States Army. Her education includes a Master's of Science Degree from the U.S. Army War College and a Master's of Public Administration from Roosevelt University in Chicago.

Thank you so much for your enlightening presentation and for the great work that you and the State of Nevada are doing for our veterans!

They also gifted everybody with a very cool lapel pin:

A copy of her presentation is attached.

Thoughts I would Like to Share…

- Many veterans do not know of the opportunities they earned—and every veteran should have information about and access to resources that enrich their lives.
- Most veterans have not served in combat., but that does not make their service "less worthy." What makes them unique was their willingness to serve. Veterans do not need preferential treatment; they need "jump start" after placing their lives on hold for military service, and medical care to address service-connected injuries.
- Most veterans who die by suicide did not serve in combat. Common issues: pre-existing stressors, stressors associated with military life, and lack of connectedness that comes after leaving service; the loss of purpose and camaraderie.
- Only together with community partners can we ensure that veterans and their families receive the support their service to our country has earned them.
- Traits of our current generation: discipline, teamwork, self-sacrifice, and loyalty. They have earned and deserve respect.

Conclusion

NDVS is working to ensure three things:

- ✓ That every Nevada veteran, no matter where they live, has information about, and access to, resources that enrich their lives
- ✓ That every Nevada veteran understands that they are extraordinary... and worthy of the very best support and care we can give
- ✓ That we work with and support our many community partners; only together will ensure that veterans and their families receive the support that their service to our country has earned them
