VISITING ROTARIANS

Sue Phelan and **Willy Goldschmidt** joined us today from the Rotary Club of Rugby Dunsmore, in Rugby, England (click [here](#) for their website or [here](#) for their Facebook page..) She is a long-time Rotarian and he has just recently joined their club. Both are retired and are enjoying a long vacation which began in New York. They exchanged a banner with **Pres. Paul** and extended greetings from their club president along with an invitation to visit their club anytime we have the chance. Did you know that the game of [Rugby](#) originated in Rugby, England?

SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service;

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

GUESTS

Natasha Losik attended today at the invitation of **Adrienne Cox** (a long-time former Southwest Rotarian and Past President) who is a neighbor. [Natasha](#) recently relocated to Las Vegas from Chicago and has a long-term background in international sales and marketing and works for Dow Chemical. She is familiar with Rotary inasmuch as her mother was a Rotarian in Russia. Welcome, **Natasha**, come back and visit us again!

Jason Carey is a recent transplant from California (Rancho Cucamonga) where he worked with his wife providing Medicare solutions. Their two daughters are now in college so they decided to pull up stakes and come to Las Vegas. He found our club on the internet and decided to come check us out. They want to become involved in the community and **Southwest Rotary** would be a great way to do it!

Brittany Ricciardo joined us today as a guest of our speaker, **Mason Van Houweling**. [She](#) is **Mason's** "mentee" and is learning all she can about the medical business. She actually works for Mountain View Hospital. She is a native of Las Vegas and graduated from UNLV. Welcome, **Brittany**!

Rich Domingo attended today as a guest of **Angela Domingo**. **Rich** is a frequent visitor and a great support to **Angela**. Always good to see him (he even attended our board retreat over the weekend.)

Marian Kaneta visited as a guest of **Les Kaneta**. It is always a treat to have her visit. She and **Les** are big supporters of education through their personal foundation. **Les** serves on our Scholarship Committee and later in the meeting introduced our latest scholarship recipient.

SCHOLARSHIP PRESENTATION

Les Kaneta introduced our newest scholarship recipient, **Joyce Calimag**. Here is **Les'** introduction:

"I am happy to be introducing Joyce Calimag. She is the recipient of the John and Lou Yoxen Academic Scholarship and will be attending UNR this fall at the School of Social Work. She graduated from Cristo Rey St. Viator ranked number 2 in her class and was the first ever Salutatorian. She graduated with a 4.0 cumulative GPA.

She has participated in:

The Just One Project which addresses food insecurity in the community

Shade Tree which provides help to homeless and abused woman and children

She was involved with the community market at Catholic Charities

At Cristo Rey St. Viator she mentored incoming students over a three-week period each summer

Joyce was very involved with school activities:

She was founder and president of the gardening club

Captain of the basketball team and was voted MVP at a winter tournament. She also competed in volleyball and track. She was a shot-putter!
Secretary and set designer of the drama club
The Filipino Club Secretary where she wrote the club constitution
Secretary of the National Honor Society

Joyce also worked part time at:

The Clark County Commissioners Office for commissioner Tick Segerblom. The commissioner said "she's incredibly competent. She is the sweetest girl in the world. Just a genuinely nice, easygoing and very confident kid."

Nevada State Bank

And has been commissioned to write and create artwork

Joyce is an outstanding student, accomplished a heck of a lot, and overcame significant adversity in her life. Her sojourn has been filled with many roadblocks.

In today's Las Vegas Sun, I learned that Joyce is a finalist in the Citizen of the Year award by Sun Standout Awards which honors high school sports. Click [here](#) to read the article."

Joyce made a few gracious remarks, thanked the club members, and commented on her life story and the positive impact that our scholarship will have on her educational career.

Congratulations, **Joyce**, we are proud to have you as one of our scholarship recipients and wish you the best in all you do. Come back often.

ANNOUNCEMENTS

Pres. Paul forgot to thank everyone who helped with our Happy Feet last Tuesday, 5/16/23, at [Ruby Thomas Elementary](#), 1560 Cherokee Ln, Las Vegas, NV 89169. We put shoes on 111 Fifth graders. (Some were absent but we left their shoes with the counselor.) Click [here](#) for pictures.

Pres. Paul also forgot to thank everyone to attended **President-Elect Joe Wittenwiler's** board retreat last weekend. A great time was had by all and the 2023-2024 Rotary year is going to be a lot of fun. Attached to the newsletter is the updated calendar which now has the proposed activities to the end of the 2023-2024 Rotary year (which you can always find on our [website](#) or on DacDB (log in to [DacDB](#), enter your credentials, select "My Club", then "Calendar".) I have also attached a "highlights" page for the next year's calendar. Click [here](#) for pictures at the retreat.

Pres. Paul fortunately didn't forget to announce that Wednesday, 5/31/23, is our next Feed the Homeless. In addition to sandwiches, we will again be distributing clothing and hygiene kits. It is located at [Amazing Grace Ministries](#) at [Christ Church Episcopal](#) on [Maryland Parkway](#) For the history of our involvement with FTH at AGM at CCE on MP, click [here](#). Please be there by 4:00 p.m.

Pres. Paul reminded everyone that his debunking will be on Thursday, June 29th, at Jack Woodcock's home.

Jack Woodcock wanted everyone to know that he had been recently dealing with atrial fibrillation and last Friday he underwent a 5 hour ["ablation" procedure](#) at Sunrise Hospital to fix the problem. He said that all went well and he is already feeling much, much better. He said it was all handled through 4 little

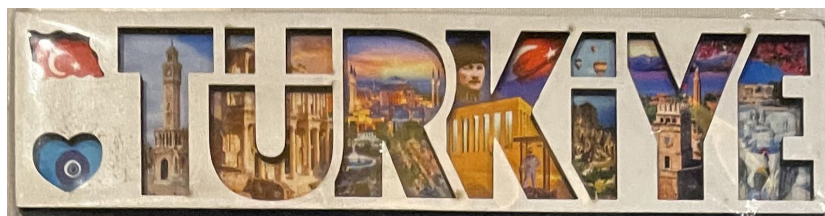

punctures in the groin area and that if anyone is experiencing irregular heartbeats to definitely get it fixed and to contact him if you have any concerns or need more information about his experience.

RECOGNITIONS

None today (no time).

GIFTS FOR THE PRESIDENT

Lori Clarke just returned from a trip to Greece and brought back magnets from the Parthenon, Mykonos, Santorini, and Turkey:

Rebecca Collett said that she and **Gordie** were in Longview, Washington (near Portland) for the [National Dalmatian Competition](#) (they have two show dogs). There isn't much to see in Longview apparently as she brought back a magnet showing the Portland skyline:

Angela Baker just returned from a week in East Tennessee, home of the Great Smokey Mountains and lots of bears. She was pretty busy the whole time and it was only because her return flight was delayed that she had enough time to go the airport gift shop and find a magnet that has bears and mountains!

Jeanne Radde said she and some friends went on a 3-day cruise to Ensenada (the same one that we will be going on for District Conference next year.) She said they spent their time in quiet contemplation with much reflection on the meaning of life, liberty, and the pursuit of happiness. (Ok, she didn't really say that, but your newsletter editor saw the pictures on Facebook and figured he'd better not say anything!) Anyway, she did bring back a magnet:

JOKES OF THE DAY

Scott Baranoff told the following story: “For years Frank’s wife begged him to take her hunting. He put her off as long as he could; finally, he gave in. They went to a place where bucks were likely to be found. He placed her where she could get a good shot at any deer that came along, and he trudged through the underbrush to another location about a half-mile away. Before he could get into position, he heard two shots. “Oh no!” he thought, “If she gets a deer before me, I’ll never live it down.” Then he heard his wife screaming, “Now, step back. That’s my deer!” As he raced through the woods, he could see his wife aiming her rifle at a man whose hands were raised above his head. She yelled again, “I said, step away! That’s my deer!” As Frank arrived at the scene the man yelled, “Okay, Lady. You can have your deer. Just give me a minute and let me get my saddle off of it.””

Tom Martin told the following story: “Researchers for the Massachusetts Turnpike Authority recently found over 200 dead crows near greater Boston. Everyone involved was concerned that these crows might have died from Avian Flu, so they had a bird pathologist examine the remains of all the crows. To everyone's relief, it was determined that the problem was definitely not the Avian Flu. Instead, the cause of death looked to be from vehicular impacts. During the detailed analysis of the crows, it was noted that there were varying colors of paints found on the birds' beaks and claws. By analyzing the paint residue, it was found that 98% of the crows had been killed by the impact of trucks, and only 2% were from impact with a car. The Massachusetts Turnpike Authority then hired an ornithological behaviorist to look into the cause for the disproportionate percentages of crows killed by trucks versus crows killed by cars. The ornithological behaviorist came up with the answer very quickly. The cause? When crows eat roadkill, they always have a look-out crow in a nearby tree to warn the other crows of impending danger. While all the lookout crows could say the word "Cah," none of them could say "Truck."”

Jack Woodcock was the grand prize winner today.

BLAST FROM THE PAST

Many of our newer Southwest Rotarians may not know much about the namesake of our annual scholarship. As you know, the name of our scholarship is “The John and Lou Yoxen Academic Scholarship”. Click [here](#) for more information about John and Lou.

PROGRAM

Mason Van Houweling, CEO of UMC was our speaker today. He has spoken to us in the past and we always enjoy and appreciate his updates.

He serves as the Chief Executive Officer of University Medical Center of Southern Nevada (UMC), providing leadership to a diverse team of 4,000 employees who dedicate their careers to delivering Nevada's highest level of care. While guiding Nevada's most respected academic medical center and its many off-site clinic locations, his strategic vision supports the organization's ability to save and improve the lives of community members. UMC remains dedicated to offering exclusive and highly specialized services, including Nevada's only Level I Trauma Center, only Designated Pediatric Trauma Center, only Verified Burn Care Center and only Center for Transplantation. As a result of his commitment to innovation, UMC now offers the most advanced surgical technology in Nevada and the state's only pediatric robotic surgery program.

Mason brings 26 years of health care experience to UMC, from small community hospitals to those with more than 1,000 beds. He has a proven track record of balancing the financial performance of a hospital while providing uncompromised patient care.

Mason's hospital administration career began at Orlando Regional Medical Center and continued to progress with Tenet Healthcare, Carolinas Healthcare System, and Universal Healthcare. Prior to joining UMC as Chief Executive Officer, Mason was a Senior Leader to Spring Valley and Valley Hospitals in Las Vegas, Nevada.

Balancing both civilian and military careers, **Mason** served his country for 24 years as a member of the U.S. Air Force Reserves, retiring in 2020 at the rank of Lieutenant Colonel. During his time as a Chief Administrator in the U.S. Air Force Reserves, he was responsible for the administration and operations of a Reserve Medical Treatment Facility serving 2,800 Air Force members/patients annually. Mason served in Operation Enduring Freedom—Afghanistan, where he received numerous achievement and commendation medals for honorable service. He also held positions as Aeromedical Evacuation Liaison and Operations Officer, Aeromedical Control Team—OIC, Chief of Medical Readiness, Aeromedical Chief of Administration, Assistant Director, and Director of Operations.

Mason earned a Master of Science in Health Services Administration from University of Central Florida. He also obtained a Bachelor of Science in Health Services Administration from University of Central Florida and graduated from the Healthcare Administrator School of the U.S. Air Force.

See attached presentation (will be added when received).
