### VISITING ROTARIANS

**PDG Tom Novotny** from the [Rotary Club of Las Vegas West](#) visited today in an unofficial capacity and said he was trying to be incognito and described himself as just a "ghost" today. He was dressed super comfy and apparently felt out of place amongst the ever-dapper Southwest Rotarians. Just kidding, of course, **PDG Tom** is welcome any time any attire!

**Derek Smith** and **LaShanta Smith** joined from the [RC of Old Fort](#), Nassau, Bahamas. There are 11 clubs in the Bahamas and their club is 7 years old with 46 members. Both Rotarians for about 10 years, **Derek** is a past-president. They have 4 children and her classification is Human Relations and his Compliance and Risk Management. Check out their [Facebook](#) page with information about the STEM project that **Derek** told us about during his introduction. Come visit again anytime, **Derek and LaShanta**.

## SERVICE ABOVE SELF

### THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**First** The development of acquaintance as an opportunity for service;

**Second** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**Third** The application of the ideal of service in each Rotarian's personal, business, and community life;

**Fourth** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

### THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

### ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

**Adrienne Cox**, long-time former member of the club (and current honorary member) is a Southwest Rotary past president, district volunteer, international volunteer, etc., and was in the house inasmuch as she still plays an integral part on our scholarship committee. She said Elliot sends his best wishes and is doing great. (**Adrienne** was overheard talking “smack” about the newsletter editor who just happened to be nearby and

## GUESTS

**Natasha Losik** joined us again and has submitted her application for membership. **Natasha** is a neighbor of **Adrienne Cox** and recently relocated to Las Vegas from Chicago and has a long-term background in international sales and marketing and works for Dow Chemical. She is familiar with Rotary inasmuch as her mother was a Rotarian in Russia. Welcome, **Natasha**, we look forward to you joining the club.

**Jeff Schwartz** joined us as a guest of his daughter, **Malorie**, who is one of our scholarship recipients this year. **Malorie** and her brother both attended our Feed the Homeless project a couple of weeks ago. He is working toward his Eagle Scout rank.

## ANNOUNCEMENTS

**Jordana Lane** announced that **Pres. Paul's** debunking has been tentatively postponed to Thursday, July 20<sup>th</sup>, at Jack Woodcock's home.

**Jordana** also announced that **Pres. Paul** closed on a new home last Friday and that **Joe Wittenwiler** was the loan officer providing the new loan. Coincidentally, she was the real estate agent representing **Pres. Paul!**

**Pres. Paul** said that he was finally “...moving out of mom's house”. In truth, he said that some years ago he had moved his mom into his house and that her active lifestyle was too much for him so she is going to continue to live in his old house and he will live in the new house.

**Eric Colvin** announced that it was time for signups for the fall football pool. The pool helps fund our youth programs (along with the **Fukumoto Family** college funds ☺). Contact him with your square selections (\$100 per square).

**Jordana** also reported on her recent trip to Melbourne, Australia for the International Convention held in the Rod Laver Stadium. She said the Opening Ceremonies Parade of Flags was very impressive but very long but also demonstrated the worldwide reach of Rotary. She said Melbourne reminded her of a clean San

Francisco. She said the opposite side of the road driving was “fun”. About 15,000 in attendance, down from the usual 25,000 to 30,000.

**Don Logan**, President of the Las Vegas Aviators will be our speaker on 6/19. Click [here](#) for his bio.

---

## RECOGNITIONS

None (no time) although **Pres. Paul**

---

## GIFTS FOR THE PRESIDENT

**Jordana Lane** brought a plethora of gifts from Australia; Rotary pins, magnet, golf tees, cookies, and two Melbourne magnets:

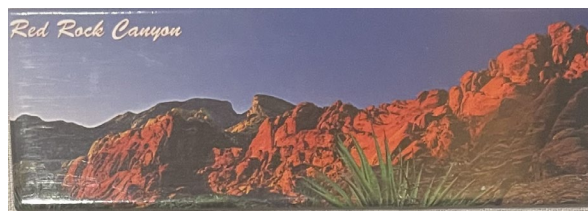

**Melissa Brooks** brought a hand carved wood bottle opener from her visit to Belize in Central America:

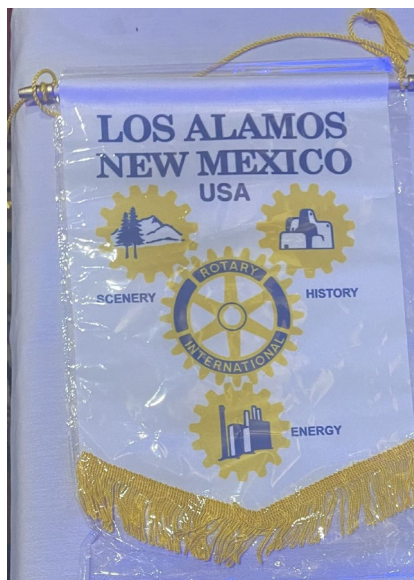

**Ron Reynolds** said they were just in New York and brought back a New York pin. He said they also attended a [Broadway play “Six”](#) while they were there:

**Greg Mottau** said they spent some time in Kentucky around Derby time but forgot to get a magnet so when his kids visited last week, he picked up a magnet when they visited Red Rock Canyon:

**Keith Thomas** presented **Pres. Paul** with a banner that he received from the [Rotary Club of Los Alamos](#), New Mexico when he “made up” there a couple of weeks ago. He said he also “made up” at the [Santa Fe Del Sur Rotary Club](#) but didn’t have another banner to exchange. He said Sherrie and a friend were taking a weeklong private pottery class from a master potter on the Pueblo Santa Clara Reservation in Espanola, NM. So, while they were “[doing pots](#)”, he traveled around and had a lot of fun. Of course, he also brought back a plethora of magnets and observed that he was glad we are coming to the end of **Pres. Paul’s** year because he was going broke buying magnets:

## JOKES OF THE DAY

**Scott Baranoff** – A man applying for a job is given an intelligence test by the company doctor. The doctor says, “Captain Cook went on three expeditions and died on one of them. Was it the first, the second, or the third??” The man replies, “Can I have another. I was never very good at history.”

## DRAWING

**Malorie Schwartz**, one of our scholarship winners, was the winner today!

## BLAST FROM THE PAST

I’m again re-running last week’s “Blast from the Past” simply because this week is our Scholarship Luncheon and everyone should know about the Yoxen’s. Many of our newer Southwest Rotarians may not know much about the namesake of our annual scholarship. As you know, the name of our scholarship is “The John and Lou Yoxen Academic Scholarship”. Click [here](#) for more information about John and Lou.”

### PROGRAM

**Fred Fukumoto**, who heads up the Scholarship Committee introduced our program with the following introduction:

*Rotary International is a global network of 1.4 million neighbors, friends, leaders and problem solvers dedicated to "Service above Self". Rotary members belong to one of 46,000 clubs that are part of 529 districts. Las Vegas Southwest Rotary belongs to District 5300.*

*Your Vocational Service was helped by the following Club members this year: **Angela Baker, Melissa Brooks, Eric Colvin, Adrienne Cox, Angela Domingo, Francesca Gilbert, Lester Kaneta, Troy Lochhead, Jeanne Radde, and Joe Wittenwiler**. If any of you are present today, please stand so that the Club can applaud you for your service.*

*When **President Paul's** year began, he had a goal of being the Rotary club to youth. I think that he accomplished that goal. In Vocational Service, we sponsored 4 students to Teen Leadership Camp ("TLC") in December 2022. TLC is a 3 day event where students are grouped into teams of 8 (no 2 students are from the same school and usually not from the same city) and stay in this team for the entire 3 day event. During that time, they hear from motivational speakers and work together to solve common problems. Several of our members have children or children of friends that attended and speak very highly of what their experience at this camp.*

*The Club also sponsored 4 students to Rotary Youth Leadership Awards ("RYLA") that was scheduled for March 2023 in the mountains of Southern California. This camp is for high school sophomores and juniors but due to the extreme snow this past winter the event was not held. One of our members, **Eric Colvin**, is a graduate of a past RYLA as well as several children of current members, including myself. The Club will continue to support RYLA in the future.*

*Rotary members live their lives by Rotary's Four-Way test which says "of the things we think, say or do - first is it the Truth?; second- is it fair to all concerned?; third, will it built goodwill and better friendships; and fourth, will it be beneficial to all concerned." In order to transfer the principles of this test to high school students, District 5300 holds an annual speech contest open to all high school students. Students compete first at the Club level, next at an area competition, then a regional competition culminating in a final competition at the Annual District 5300 Conference. The winner at the District level is awarded a \$5,000 scholarship.*

*District 5300 had a benefactor who believed that music is as important as speech and started the Dan Stover music awards which is open to all high school students. The competition is the same as for the Four Way speech contest with this winner at the District level being awarded a \$3,000 scholarship. Finally, the Club's greatest award to students is its Annual Scholarship. This Scholarship has been awarded for over 45 years and rewards the chosen student with \$1,200 per semester towards their college education as long as they maintain a 3.0 GPA taking at least 12 semester hours. I have been blessed to be apart of the scholarship committee for many years.*

*A few years ago, a long time past member of this Club, donated funds from his estate to help fund part of the annual scholarship costs. The Club renamed the Scholarship "The Las Vegas Southwest Rotary Club John and Lou Yoxen Memorial Scholarship". John Yoxen was a long time masonry contractor and instrumental in bringing Pioneer Bank (now part of Nevada State Bank) to Las Vegas from Reno.*

*The Club is pleased to be able to award 2 scholarships this year. **Joyce Calimag**, a graduate of Cristo Rey school and **Malorie Schwartz**, a graduate of Southwest Career & Technical Academy. I'd like to ask both of them to join me here and tell you a little about themselves and where they will be continuing their education. If you have any questions of our scholarship winner, please ask them now. Please join me in applauding their great high school experience.*

*Now I'd like to ask a previous scholarship winner, **Vicky Wang**, to join me to give you an update on her last semester and career plans. As part of the Club's scholarship, each of these young ladies has been paired with a Club Rotarian; **Lester and Marian Kaneta** are **Joyce's** mentors, **Adrienne Cox** is **Malorie's** and I have been **Vicky's** contact to the Club. I hope that I have explained the Club's Vocational avenue of service. That concludes my part of this meeting.*

**Malorie** said that she plans to attend UNR and study broadcast journalism and hopes to be “on screen” She is a video gamer and likes dogs and is involved with her church at The Crossings.

**Joyce** graduated as Salutatorian and will be attending UNLV to study for a social work degree with hopes of perhaps becoming a neuropsychiatrist.

**Vicky** is now a Junior at UNLV studying for a biology degree in the pre-dental program. She is already working at Town and Country Dental as a summer dental assistant and in August will be taking the dental admissions test.
