Keith Thomas

Bruce began the meeting by saying that he had received a phone call from **Pres. Joe** asking **Bruce** to stand in for him today. Apparently, **Pres. Joe** told **Bruce** that he just had the A/C fixed on his camping trailer and that he was now a "happy camper" and "I'm gone". An unnamed Rotarian said something about the conduct of the meeting but was ignored by our temporary leader who thereupon announced that **Pres. Joe** should accept a \$250 fine for missing the meeting.

VISITING ROTARIANS

Nathan Oestreich (pronounced "s-strike") joined us today. He is a member of the [Rotary Club of Chula Vista Sunrise](#) in California. He is a semi-retired [tax management professor](#) (after approximately 40 years) at [San Diego State University](#). He is an avid mountain biker who recently completed a 3,000 mile trek. He had been planning to do some "slick rock" biking in the Moab, Utah area but decided to just rest up in Vegas for awhile. He said their club used to meet at the prestigious [San Diego Country Club](#) in Chula Vista, but now meet at a [KOA campground](#). Actually it is more of a resort with meeting rooms and is owned by one of their Rotary members. Fun fact about Nathan is that he is fairly well known in his field and has even been quoted on the Today show. Happy you stopped by today, **Nathan**, come again!

SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service;

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

GUESTS

None today.

ANNOUNCEMENTS

Bruce Pope reminded everyone that:

1. We are dark next week in observance of the Columbus Day Holiday. There was some discussion about whether or not the calendar accurately reflected our "dark" status next week. After a certain unnamed Rotarian explained how the online calendar works (and for which he almost received a credit), it was agreed that the calendar was indeed correct.

2. Our next Happy Feet project has been tentatively scheduled for 10/26/23 at Ferron Elementary.

Bruce MacKenzie announced that he also had received a last-minute phone call from **Pres. Joe** asking him to attend the District Governor's happy hour event last week at the "[Distill Bar and Event Center](#)" on [South Rainbow.](#)" Ever obedient, he attended and magnificently represented our club. **DG Michel Soden** has also served our district as the District Communication Officer and was replaced by none other than our own **Angela Domingo** who unfortunately could not be in attendance. **DG Soden's** emphasis is PolioPlus. Apparently, the Rotary Foundation is winding down its support of polio now that it has almost been totally eradicated. **Bruce P.** suggested that **Bruce M.** should receive a \$150 credit.

Greg Mottau announced that [RYLA](#) (for sophomores and juniors) has been scheduled for March 22-24, 2024 and that the district is looking for club members as chaperones. So far, our club has three participants lined up, **Bruce Pope's** grandson, and the two Eagle Scouts that our club has helped out.

Ron Reynolds was asked to comment on the recent copyright lawsuit against our club. There are law firms out there that specialize in scrutinizing websites to look for unauthorized use of copyrighted material. A couple of the speaker PowerPoint presentations that had been included in our newsletters and subsequently stored on our website contained pictures that were copyrighted. **Ron** represented our club and was able to negotiate a reasonable settlement. He cautioned everyone with websites to make sure that they should be aware of the copyright restrictions.

GIFTS FOR THE PRESIDENT (Pres. Joe suggests anything “coffee” related)

JOKES OF THE DAY

Bruce Pope said that **Francesca Gilbert** was approached by a couple who said they were new in town and wanted to shop for high-end expensive homes. After showing them various over the course of three days with no results, she showed them one very expensive house that even had a “hobby” room. She asked them if they had a hobby and they said “Oh yes, our hobby is shopping for homes that we can’t possibly afford!” Whereupon, **Francesca** proceeded to tell about a “hobby room” that she saw in a listing on a house in Baltimore (see pictures of said hobby room in the Google [album](#)).

Tom Martin – A man is sitting in a bar staring at a shot glass, while the bartender cleans the bar. Suddenly a biker sits next to the man, grabs the shot glass and drinks it in one gulp before slamming the glass back in front of the man. The man stares the glass for a second before bursting in hysterical sobs. Both the bartender and the biker stare at the man in surprise. The bartender quickly tries to calm the crying man. "Hey, I can get you a new drink if it meant so much for you." The man looks at the bartender, with tear filled eyes, before speaking. "It's not that, I've just had a horrible last week. First my wife left me for this rich douchebag, then my parents died in a car crash. To crown it all, my home burns down with everything I own next day." He lets out a small sob before continuing. "And now that I was finally determined to end it all, this stupid biker comes and drinks the poison I had prepared."

Scott Baranoff – A married couple went to the hospital to have their baby delivered. Upon their arrival, the doctor said he had invented a new machine that would transfer a portion of the mother's labor pain to the father. He asked if they were willing to try it out. They were both very much in favor of it. The doctor set the pain transfer to 10% for starters, explaining that even 10% was probably more pain than the father had ever experienced before. But as the labor progressed, the husband felt fine and asked the doctor to go ahead and kick it up a notch. The doctor then adjusted the machine to 20% pain transfer. The husband was still feeling fine. The doctor checked the husband's blood pressure and was amazed at how well he was doing. At this point they decided to try for 50%. The husband continued to feel quite well. Since the pain transfer was obviously helping out the wife considerably, the husband encouraged the doctor to transfer ALL the pain to him. The wife delivered a healthy baby with virtually no pain. She and her husband were ecstatic. When they got home, the mailman was dead on the porch.

DRAWING

After three draws, **Bruce Pope** drew his own number!!!

BLAST FROM THE PAST

Last week's BFTP was a [link](#) to a "long-ago" TV commercial featuring one of our current Rotarians. It was, of course, none other than our very own **Pres. Joe** extolling the virtues of his family's business. Since **Pres. Joe** was absent today, I will run it again so he can comment on it.

UPCOMING SPEAKERS AND EVENTS - (FULL 2023-2024 CALENDAR ATTACHED BELOW)

PROGRAM

Gary Schofield was our speaker today. He was nominated by President Donald J. Trump to serve as the United States Marshal for the District of Nevada. He was sworn in on April 27, 2018.

He leads the operations of the U.S. Marshals Service in Nevada. Additionally, he serves on the Nevada Joint Terrorism Task Force Executive Board, the High Intensity Drug Trafficking Area Executive Board, and the Organized Crime Drug Enforcement Task Force executive board.

Prior to being appointed, he served at the Las Vegas Metropolitan Police Department (LVMPD) as a Deputy Chief of Police. As Deputy Chief, he led major divisions of the agency that covered all facets of operations and administration at the Las Vegas Metropolitan Police Department composed of over 6,000 employees. He implemented the training and accountability portions of the Department of Justice Collaborative Reform Process. The reform process implemented major reforms in the Use of Force and reduced the amount of deadly force by offices of the agency. As a result, he was asked to testify at the Presidents Commission on 21st Century policing on the need for effective police and community efforts as well as the need for effective leadership and training programs.

Upon graduation from high school in 1980 he joined the United States Air Force (USAF) and started his law enforcement career in the United States Air Force Security Police. His duty assignments included units in North Dakota, Texas, Greenland, South Carolina, and Nevada. During his service he led teams protecting U.S. Military personnel and commanded the United States Air Force Emergency Services Teams (SWAT). He transferred to the United States Air Force Reserves in 1985 and joined the Las Vegas Metropolitan Police Department. In 1990, he was recalled to active duty in the United States Air Force for Desert Storm and returned to the Las Vegas Metropolitan Police Department upon its conclusion.

He has served on multiple community boards. He is a former member of the Board of Directors of the Red Cross of Southern Nevada, the former Vice Chair of the Sunrise Manor Town Board, was a member of the Southern Nevada Regional Planning Coalition Committee on Homelessness. He also served on the State

of Nevada Police Officers Standards and Training Commission as one of the commissioners appointed by Governor Sandoval.

He holds an Associate degree in Criminal Justice from the Community College of the United States Air Force, a Bachelor's degree in Criminal Justice from Thomas Edison University, and a Master's degree in Administration of Criminal Justice from the University of Alaska at Fairbanks.

He spoke to our club a couple of years ago (he is a neighbor to our own **Sean Tanko**) and, once again, provided an enlightening and entertaining program.

Thanks so much, **Gary**, for a very interesting presentation.

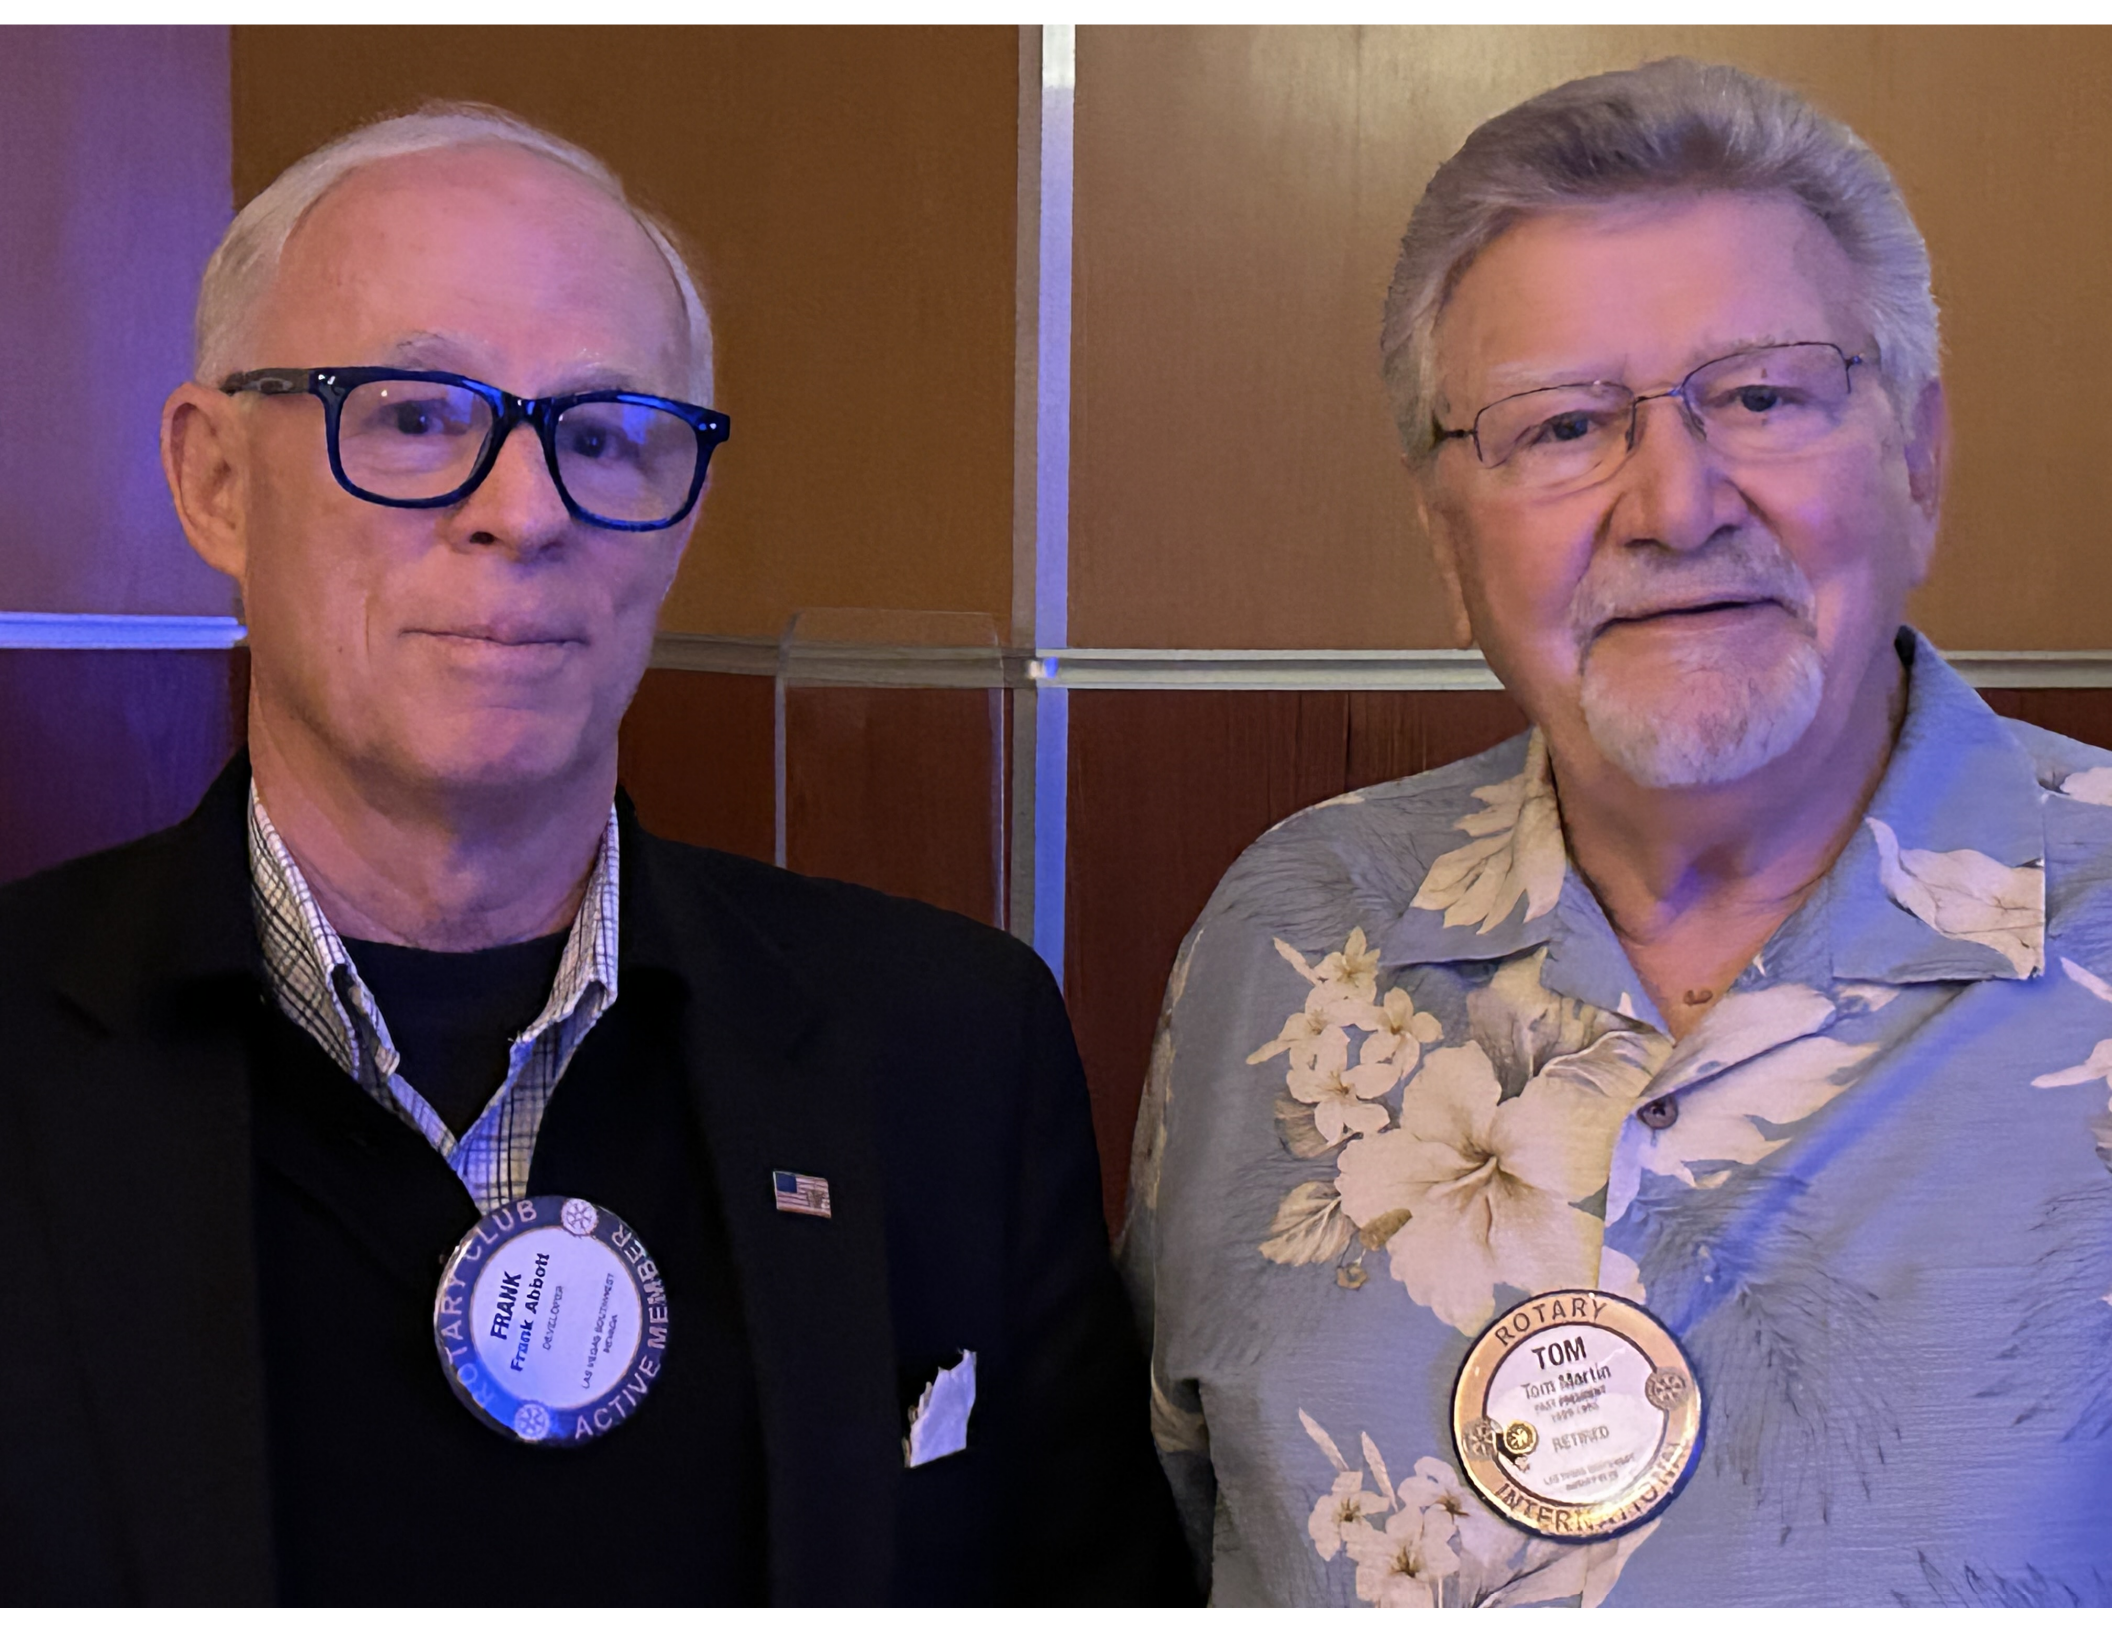

CONCLUSION

We concluded with the 4-Way Test.
