### **VISITING ROTARIANS**

Guy and Jan Piersall attended today from the Pahrump Rotary Club. They work with Global Hope Network <u>International</u> who motto is "Bringing help and hope to the hidden and hurting." Both grew up in Oregon, attended University of Oregon and are Duck fans! They lived in the Portland, OR area for thirty years being active in their careers, Jan as a teacher, Guy as a financial planner in insurance and investments and in church and community volunteer work. After retiring in 2003, they moved to Pahrump, NV in 2004 for the sunshine, warmer and drier weather, and lower taxes. In 2004 they also joined an international mission organization as volunteers doing development and promotional work in the U.S.A. and assisting with projects in Africa and Asia. In January 2017, they joined Global Hope Network Intl (GHNI) as Partner Development staff in the Western USA, again as non-paid volunteers, and no expense account. They work with existing and potential new donors to assist them in partnering with GHNI projects and staff around the world. They travel primarily in the western USA and lead trips to visit overseas GHNI projects. If interested in a trip with them visit ghnitrips.org – they are going to be hiking Mt. Kilimanjaro

later this year and would love to have you join them. See brochure attached. They were accompanied today by representatives of GHNI – see "Guest Section" below.

### SERVICE ABOVE SELF

### THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service:

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

### THE FOUR-WAY TEST

Of the things we think, say, or do:

- 1. Is it the truth?
- 2. Is it fair to all concerned?
- 3. Will it build goodwill and better friendships?
- 4. Will it be **beneficial** to all concerned?

### ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

- Act with integrity and high ethical standards in my personal and professional life
- Deal fairly with others and treat them and their occupations with respect
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- Avoid behavior that reflects adversely on Rotary or other Rotarians
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

Rebecca Collett made an announcement about the Gold Raffle on 5/29 at the Ahern Luxury Boutique Hotel and referenced the email she previously sent out to everybody. More information can be found on our website. A copy of a brochure advertising the event is attached at the end of the newsletter and can be accessed on our website here. You can also find a one-minute video here and a two-minute video here. You can copy the links and share them with your friends, family, and on your social media accounts. See her or Melissa if you need more tickets to sell. Don't forget, dress up "mobster" "flapper" or "old-time Vegas. Prize for the best "costume".

**Keith Thomas** and **Eric Colvin** reminded everyone about our clock project to recognize our Club's 60<sup>th</sup> anniversary. Click here for a fundraising letter with more information.

**Pres. Bruce** announced an "opportunity" for our club members. Alex Popescu from Opportunity Village, who will be speaking at our meeting on April 14<sup>th</sup>, has invited us to participate in the Opportunity Village March Madness bracket contest. Visit <a href="www.SupportOV.org">www.SupportOV.org</a> between March 1-20 to purchase a bracket for \$50, or both the men's and women's brackets for \$90. Details can be found in the attached flyer or by simply clicking (ctrl+click) on the "Hoops Hoopla" image.

**Karl Maisner** announced that a tentative date has been set for the Family Bowling Party. Please let him know if you have interest in going.

**Joe Wittenwiler** announced that the Las Vegas After Hours Rotary club is sponsoring a "putt putt" contest on Thursday, April 24th at Angel Park Golf Club. Check out the attached flyer which has all the details about registration, etc.

Joe also announced that the Interact Club at A-Tech let him know the A-TECH MAVERICKS are planning their annual Runnin' for the House 5K Run & 1 Mile Family Fun Walk to benefit the Ronald McDonald House. The date is Saturday, April 12, 2025, at Floyd Lamb Park. The race starts at 8:00 am. For registration information, click <a href="mailto:here">here</a>, or visit the website, <a href="mailto:http://www.rmhlv.org">http://www.rmhlv.org</a> or send an email to <a href="mailto:events@rmhlv.org">events@rmhlv.org</a>. Registration includes red/white socks, a medal, a voucher for a McDonald's pancake breakfast, and other goodies.

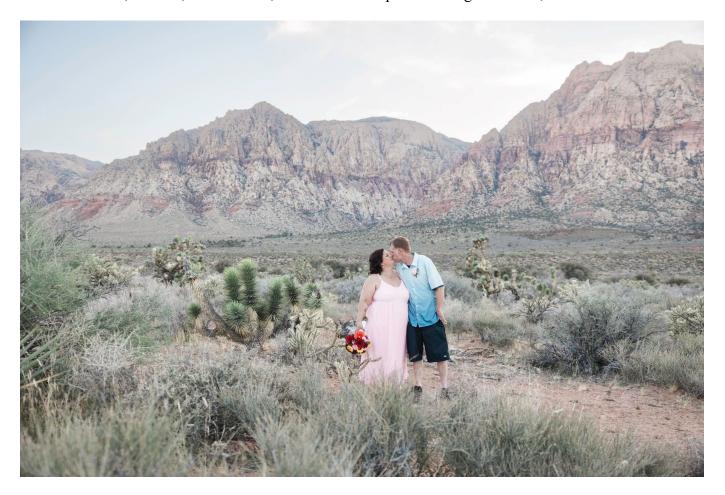

**Tom Martin** reported that the golf "party" last weekend at Greensprings Golf Course in Washington, Utah (St. George) was a lot of fun. "Blank Slate" and munchies on Friday night. Golf Saturday morning and "Catch Phrase" and pizza on Saturday night. Ask a certain golfer about a mishap with a goose. He teed off on Hole No. 2 and the ball soared right onto the green and was headed for the hole when a couple of geese decided to walk across the green and...well, you can guess what happened. Click <a href="here">here</a> for pictures.

### RECOGNITIONS

**Jeanne Radde** was asked where she has been recently. She said that she and Scott tied the knot in Red Rock Canyon on March 23<sup>rd</sup> and jetted off to Playa Del Carmen for their honeymoon. She said they also visited Cozumel, Cancun, Chichen Itza, and other exotic places. Congratulations, **Jeanne!!!** 

Jordana Lane was asked about here whereabouts also. She said she and her boyfriend just returned from 10 days in Cabo San Lucas. She said it was the longest consecutive days off she has had in 10 years. They left on a Wednesday and returned on a Saturday and while they were there, they celebrated her birthday. She also said she returned just in time to resume her live as a soccer mom (as you all know, her daughter, Kaylee, is a superstar soccer player.)

**Keith Thomas** was asked about the <u>District 5300 Newsletter</u> with our article about the Interact Club. It was included with the newsletter a couple of weeks ago and is again attached for ready reference. **Pres. Bruce** said that they have already completed the project referenced in the article

### JOKE OF THE DAY

**Scott Baranoff** – John decided to go skiing with his buddy, Jack, so they loaded up John's minivan and headed north. After driving for a few hours, they got caught in a terrible blizzard, so they pulled into a nearby farm and asked the attractive lady who answered the door, if they could spend the night. "I realize

it's terrible weather out there and I have this huge house all to myself, but I'm recently widowed." she explained. "And I'm afraid the neighbors will talk if I let you stay in my house." "Don't worry." John said. "We'll be happy to sleep in the barn and if the weather breaks, we'll be gone at first light." The lady agreed, and the two men found their way to the barn and settled in for the night. Come morning, the weather had cleared, and they got on their way and enjoyed a great weekend of skiing. But about nine months later, John got an unexpected letter from an attorney. It took him a few minutes to figure it out, but he finally determined that it was from the attorney of that attractive widow he had met on the skiing weekend. He dropped in on his friend Keith and asked, "Keith, do you remember that good-looking widow from the farm we stayed at on our skiing holiday about 9 months ago?" "Yes, I do." said Keith. "Did you, er, happen to get up in the middle of the night, go up to the house and pay her a visit?" "Well, um, yes!" Keith said, a little embarrassed about being found out, "I have to admit that I did." "And did you happen to give her my name instead of telling her your name?" Keith's face turned beet red and he said, "Yeah, look, I'm sorry, buddy. I'm afraid I did. Why do you ask?" "Well, she just died and left me everything."

### **DRAWING**

Karl Maisner was our winner today.

**GIFTS FOR THE PRESIDENT (Pres. Bruce** suggests a picture or a postcard or some small memento from members' travels.)

**Jeanne Radde** brought home a couple of refrigerator magnets from Cozumel and Playa Del Carmen (wait, wasn't it **Paul Gustilo** who wanted magnets during his presidential year?? She must have been so preoccupied on her honeymoon that she forgot who our current President is??????)

**Greg Mottau** was entertaining his daughter and grandson for 4 days and while they were here, they visited the <u>Springs Preserve</u> where he was able to find a few postcards.

Fred Fukumoto said he and Gwen went to Chicago to visit her brother and some of their old friends and while there apparently purloined some magazines from their hotel room. He also said they have been decluttering recently and ran across a couple of albums of pictures; one from an Interact Club from Bonanza High School containing pictures from a medical mission trip to Mexico where they were accompanied by Fred Fukumoto and other members of Southwest Rotary. Keith is going to scan the pictures and will post them next week. The second album contains pictures from our club's water cistern project in Xpujil (actually a little pueblo called Manuel Castilla Brito) - pictures also will be available next week. In the meantime, the pictures that Keith took can be found here:

### **BLAST FROM THE PAST**

Today's BFTP is an <u>album of pictures</u> from Aric Graham's presidential retreat in May 2011. Three questions: Where was it held? Where did we go for dinner? Whose house is shown in the very last picture and where is the house located?

# PASSPORT TO ROTARY

"Rotary is without reality until we translate it into our lives and the lives of others. In short, you and I are Rotary."

- J. Edd McLaughlin 1960

## How to use your Passport

Over the years, we have discovered that understanding members' interests and commitments is critical to a lasting Rotary fellowship.

This passport will guide you through the process of understanding Rotary and will help club leaders understand how you want to engage.

- 1. Meet with your mentor to get started and for the names of the leadership team.
- 2. There are topics of interest for each person to help guide your discussions.
- 3. Leaders will initial and date at the end of your visit.
- 4. Visit again with your mentor once you've completed all the tasks.
- 5. Make notes as needed in this Passport and keep its as a guide during your tenure as a Rotarian.
- 6. You should be able to complete all tasks within a few months. But take your time and enjoy the ride with your new Rotary family.

## The Four-Way Test

The Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships.

A central part of the permanent Rotary structure throughout the world, this test is held as the standard by which all behavior should be measured.

### Of the things we think, say or do

- 1. Is it the TRUTH?
- 2. Is it **FAIR** to all concerned?
- 3. Will it build GOODWILL and BETTER FRIENDSHIPS?
- **4.** Will it be **BENEFICIAL** to all concerned?

# Rotary's core values guide priorities and actions within our organization.

**Service:** We engage in activities that bring about lasting change, greater understanding and peace.

**Fellowship:** The power of combined effort knows no limitation. By working together, we multiply resources and broaden our lives and perspectives.

**Diversity:** Rotary unifies all people behind the ideal of "Service Above Self." We encourage diversity in our members and in our activities and service work.

**Integrity:** We expect accountability from our leaders and members both in result and in the process taken to accomplish our goals.

**Leadership:** We believe in the importance of leadership development and in leadership as a quality of our members.

## **EXPAND YOUR HORIZONS**

"Upon reflection, what I found the most moving was how the Global Hope Network does not impose on the villages where they work, but creates sustainable change by helping people help themselves. There was a sense of empowerment and hope in all of the villages we visited, and perhaps to me the most inspiring aspect of my time there was knowing that these wonderful people's lives had irrevocably changed for the better, and they will continue to find fulfillment even after they have graduated the TCD program."

### Rotary Club of Las Vegas Southwest Article for District 5300 Highlighter 3/25/25

At a recent meeting we were joined by student and faculty representatives of the Advanced Technologies Academy Interact Club which is sponsored by Southwest Rotary. Those in attendance included the Assistant Principal, the Club Advisor (recently named the OSIT Southern Nevada STEM Teacher of the Year), and four Interact Club members. They were in attendance to make a presentation about their annual service project and to begin their fundraising efforts.

Their project is to raise funds to decorate hospital rooms for long term pediatric patients. The goal is to create a comforting environment for patients and their families during their time in medical care. Decor, bedding and toys go home with each patient.

They will be working with the "Once Upon a Room" program at Sunrise Children's Hospital which focuses on children in the hospital who are fighting serious, life threatening illnesses or acute trauma often resulting in permanent disabilities and months of medical treatment and extended outpatient care.

The Interactors will be coordinating volunteers, raising funds, decorating rooms, restocking the Nourishment Center, running craft stations, drawing caricatures, room design and decorations.

Their goal was to raise sufficient funds to decorate three rooms at a cost of \$525 each. Following their very informative presentation (click here), Southwest Rotarians pledged enough money to completely cover the cost of their project. Our club was happy to present them with a check for \$1,605.
