SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service;

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

Keith Thomas announced that we are still working on our clock project to recognize our Club's 60th anniversary. Click [here](#) for a fundraising letter with more information. He also mentioned that there would be a wine walk in Boulder City earlier that day and then the bowling event at 2 PM, for those interested. Sign up in the red book.

Fred Fukumoto announced that the Club has many opportunities for youth this Rotary year.

1. **“RYLA”** - Rotary Youth Leadership Awards for high school sophomores and juniors to be held December 5-7, 2025. If you have children that qualify, please submit their names to Greg Mottau as soon as possible.
2. **“TLC”** Teen Leadership Camp for 8th graders to be held March 20-22, 2026. If you have children that qualify, please submit their names to Fred Fukumoto.
3. **George Hensel Essay Contest** which is open to all high school students. Those interested will submit a essay on an ethical dilemma that has touched their life. Essay needs to be at least 1,000 words and submitted to the Club, via Fred Fukumoto, by January 31, 2026.
4. **Rotary 4-Way Speech Contest** – open to all high school students who write a speech using the 4-Way test and this year’s Rotary theme of Unite for Good. The speech needs to be at least 6 minutes but not longer than 8 minutes. This year’s contest will be held on January 12, 2026. If you have children who are interested, please contact Fred Fukumoto.
5. **Dan Stover Music Contest** – open to all high school students who will perform at the Club on February 9, 2026. If you have children who are interested, please contact Jeanne Radde. And finally,
6. **Annual Scholarship**- Each year for over 35 years, the Club has offered a 4-year scholarship to a Clark County Nevada graduating senior who is not related to any current member of Rotary who wishes to attend a Nevada University or College. The [scholarship application](#) is available on the Club’s website and the deadline for the next application is April 1, 2026.

RECOGNITIONS

Ken Cox was asked about his recent hunting exploits. He said that he and 8 friends have been hunting together for more than 20 years and recently returned from [Pierre, South Dakota](#), where they bagged a combined total of 278 pheasants (30 of which he still has in his freezer!) He said that during the hunting season, the population in Pierre doubles (people, not pheasants 😊).

Eric Colvin made it back from his long journey on Route 66. He said they went exactly 2,800 miles, making 160 stops, starting on September 21st and returned to Las Vegas on October 3rd. It was really quite the trek, and surprisingly there were many Europeans on the road. He said they ended up with about 50 T-shirts to make a quilt and countless stickers and magnets. There is a lot of interesting country on the Route. Here is a picture of their “libations” cooler from the trip... it was brand new when they got it in Chicago at a bar raffle. Actually, someone else won it in the raffle and since **Eric** was going to buy one anyway, he offered to buy it from the winner who promptly said, “No way, but you can have it for free!”. Here is a picture of the cooler at the end of the trip with stickers from many of the places he and **Jessica** visited. He said they successfully completed the trip without killing each other, but just barely. \$150 fine to **Eric**.

Lynn Purdue, Tom Novotny, and Ken Cox, were all presented with their official Southwest Rotary Club aprons.

GIFTS FOR THE PRESIDENT (Pres. Rebecca's recommended gift is jewelry.)

Eric Colvin said that they visited the [Lincoln Library](#) on their journey and while there found a bracelet made of nickels. (wait, isn't **Thomas Jefferson** on the nickel?)

Fred Fukumoto said that he and **Gwen** are “cleaning out their house” and came across a plaque that **Fred** received when he visited the Rotary Club of Wallingford, Vermont. The club meets in the building that used to house the grammar school attended by **Paul Harris**.

Gary Chow presented **Pres. Rebecca** with his district's custom pin. Their District's theme this year is "Every Piece Matters", hence the puzzle piece pin.

Greg Mottau said he and Sandy visited their grandson at [Cal Poly](#) in San Luis Obispo, Ca, who is a freshman and already being asked to start taking upper class subjects. They toured the campus and amassed 17,507 steps just on the tour. They also went to the beach and found a cool bracelet.

Amber Fuhriman and **Shaun Ochsner** just returned from a cruise to celebrate her birthday. They went to the Bahamas and to Cozumel where they picked up a custom-made bracelet made on the spot by the locals. It wasn't all fun and play...**Amber** was a featured speaker at a conference being held on board the ship.

Bruce Pope said that he and **Beth** just returned from a visit to Colorado to see family and while there visited the Grand Junction area which is known as the fruit capital of Colorado. One of the area's most well known products is the ["Palisade Peaches"](#). So, did **Bruce** bring back a lug of peaches, or even a peach pie as a gift for the president??? Nope, he brought back "Peach Salsa"!

JOKE OF THE DAY

Tom Martin – Three dinosaurs come across a magic lamp. They rub the lamp and out pops a genie who grants them three wishes. The first dinosaur asks for a big hunk of meat. The second dinosaur, looking to one-up the first, asks for a shower of meat. Not to be outdone, the third dinosaur asks for a meatier shower.

Scott Baranoff – (Hmm...a somewhat ribald story of a little old lady, two dogs and a frustrated veterinarian...best to Google it.)

A copy of her slide presentation is attached below.

Thanks, Shelley, for a very timely, information presentation.
