Keith Thomas – (the newsletter is posted each week on our [website](#) and on our [Facebook page](#).)

Pres. Rebecca welcomed everyone and said today is a special day...exactly 60 years ago today on October 27, 1965, our club was chartered. Congratulations Southwest Rotarians on 60 years of service to the community and to the world!!

VISITING ROTARIANS

Tina Kern from the Las Vegas Rotary Club joined us today in her official capacity of Area Governor for our club. She is a retired attorney and came to support us on our official anniversary. She is a past president of her club and an interesting tidbit about her is that she not only is an attorney but also spent some time as a private investigator.

GUESTS

Shaun Ochsner joined us again a guest of **Amber Fuhrman**. He is a Videographer · Video Producer · Freelance Video Editor · Freelance Photographer. Click [here](#) to check out his website to see what services he offers. He has been approved by our board for membership and will be meeting tomorrow with **Jack Woodcock** to prepare for his formal club induction.

SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service;

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

RECOGNITIONS

Jack Woodcock and **Ron Reynolds** were recognized as the longest continuing members of our club. Our club was chartered 60 years ago and **Jack** has been in the club for 49 years and **Ron** has been in the club for 47 years.

Paul Gustilo was asked how he was healing after his mountain bike mishap. He said that he was doing fine and his 2 broken fingers and 2 broken ribs weren’t slowing him down too much although he has a hard time gripping with his broken fingered hand.

JOKE OF THE DAY

Tom Martin – Sister Mary Ann, who worked for a home health agency, was out making her rounds visiting homebound patients when she ran out of gas. As luck would have it, an Exxon Gasoline station was just a block away. She walked to the station to borrow a gas can and buy some gas. The attendant told her that the only gas can he owned had been loaned out, but she could wait until it was returned. Since Sister Mary Ann was on the way to see a patient, she decided not to wait and walked back to her car. She looked for something in her car that she could fill with gas and spotted the bedpan she was taking to the patient. Always resourceful, Sister Mary Ann carried the bedpan to the station, filled it with gasoline, and carried the full bedpan back to her car. As she was pouring the gas into her tank, two Baptists watched from across the street. One of them turned to the other and said, "If it starts, I'm turning Catholic."

GIFTS FOR THE PRESIDENT (Pres. Rebecca's recommended gift is jewelry.)

Lori Clarke said she spent the weekend in Portland and Tillamook and brought back a Tillamook “Cheese and Grater” key ring.

Paul Gustilo said they went to Orlando a few weeks ago with family and friends and visited the Magic Kingdom where they were confronted with ticket prices of \$158 each for just one park. He was able to find some “merch” in the form of Minnie Mouse earrings.

Tom Novotny said he was in Albuquerque for Rotary Zone Institute and their hotel was downtown and they were advised to not go out at night so he wasn't able to find anything downtown but did find "balloon" keychain (Albuquerque is famous for its annual hot air balloon festival.)

Greg Mottau said his favorite cousin visited over the weekend from Washington, D.C. They had never visited Las Vegas before so **Greg** and **Sandi** treated them royally with a visit to the Sphere to see the Wizard of Oz where they picked up a cool pin, to Nelson where they picked up a ring and to Red Rock Canyon where they picked up some nice earrings. They also visited Boulder Dam (the cousin's dad was one of the workers on the dam when it was being built.) They also treated them to a dinner at the Venetian and at the Italian American Club. **Greg** said they have promised to return and why not if you have such gracious hosts as **Greg** and **Sandi**.

UPCOMING SPEAKERS AND EVENTS

2025-2026 calendar - ATTACHED BELOW.

PROGRAM

Stacy Miller from the [Las Vegas Academy](#) was our speaker today. She is the Coordinator of Career & College Readiness for LVA's College & Career Center, LVA's newest student support service. After 23 years as an English teacher at LVA, she transitioned to the Center where she can offer her expertise in college essay writing and revision, application processes, and resume building, among many other topics. She is also the advisor to the National Honor Society.

The Las Vegas Academy of the Arts is a magnet high school located in Downtown Las Vegas, Nevada. Students are accepted through an audition process and claim a major pertaining to performing arts or visual arts.

The Las Vegas Academy's campus is located on the site of the first high school in Las Vegas. The school uses two of the buildings that were constructed in 1930 and opened in the fall of 1931. Las Vegas High School was the first high school in Las Vegas, and its location caused controversy at the time. Many residents believed the school was too far away from the small population at the time, which has changed as the city grew around the school. The school originally had three buildings: the tri-level Main building on the corner of 7th St. and Bridger Ave., the Gymnasium, and a third building that housed manual arts (shop classes) and in later years government classes. It was torn down in 1969. The two remaining buildings are listed as the Las Vegas High School Academic Building and Gymnasium on the National Register of Historic Places, representing Las Vegas' best example of art-deco architecture of the 1930s. The school's outer appearance has been maintained but the interior has been changed since its original construction. Construction continues today on renovations and new construction that is expected to continue for the next few years.

A copy of her slide presentation is attached. She also provided us with various brochures and posters of upcoming events and concerts which can be found [here](#).

Thanks for a very timely presentation.

CONCLUSION

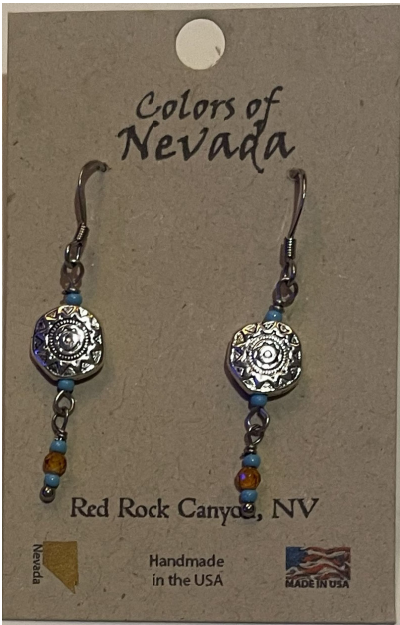

We concluded with the 4-Way Test conducted by **Pres. Rebecca**.
