Keith Thomas - (the newsletter is posted each week on our [website](#) and on our [Facebook page.](#))

Pres. Rebecca thanked the board and committee members for their attendance at today's board meeting and then welcomed everyone and reminded them that we are **DARK** next week for the Thanksgiving Holiday. Each week she mentions that this year is our club's 60th anniversary and provides a little bit of information from 1965. World population then was \$3.3 billion, today its 8.2 billion plus. Women's styles then were go-go boots, mini-skirts and hair bows. Men's styles included striped sweaters and uncuffed trousers.

VISITING ROTARIANS

None

GUESTS

BB Cooper joined us again after a long absence. She has been dealing with renovation and sale of a home in Virginia but still plans on becoming a member of our club. She is a 10-year resident of Las Vegas and is a retired flight attendant with United Airlines. She spent 10 years on domestic flights and 25 years on international assignments. We are happy you come back again.

SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service;

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

Joel Avery joined us as a guest of **Amber Fuhriman**. He is a social media accelerator who helps grow a brand's or creator's presence on social media through a combination of strategy, content creation, engagement, and paid advertising. Point your phone camera at the QR code to learn more.

Scott Willett joined us as a guest (and husband) of **Jeanne Radde**. He is, of course, well known to our club and we always enjoy visiting with him. He announced that he is starting a new business called "Red's Repair Services". Contact if you need something done and done well.

ANNOUNCEMENTS

Bruce MacKenzie announced that elections for officers and directors for 2026-2027 is scheduled for December 8th. There are two directors' positions that will be open as well as the secretary/treasurer. If you are interested in putting your name on the ballot, please contact **Bruce MacKenzie** as soon as possible

Bruce also reminded everyone that our "Santa Coats" project will take place in December. **Francesca Gilbert** will be buying the coats which will be delivered directly to Ferron Elementary School. Watch for an announcement of the date when we go to the school to help the students try on and pick out their new coat.

Keith Thomas announced that we are still working on our clock project to recognize our Club's 60th anniversary. Click [here](#) for a fundraising letter with more information. He said he met with the Deputy City Manager (who is a past president of the Mesquite Rotary Club) and he connected us with Jennifer Kleven, the Deputy Director for Parks, Recreation, and Cultural Affairs, who is working with their facilities team to identify a location for the clock. **Eric** responded last week to their request for more technical information. Those who have signed up will be receiving an email in the next week or so confirming how you want your name(s) to appear on the commemoration plaque on the clock.

Pres. Rebecca thanked everyone who came to our Happy Feet project at Ferron Elementary School on Wednesday, 11/5/25. Click [here](#) for pictures. We put shoes on the kindergartners this time. Thanks so much to school principal Margaret Putnam and to Miss Julie Bellavia, the school counselor who does so much advance work with sizing the kids and facilitating our project. And, of course, thanks to much to our Rotarians and spouses who turned out in great numbers today to make our project another great success (see picture below - Shaun Ochsner was also there but he was taking the picture.)

Tom Martin announced the date of our next Rotary golf outing in Southern Utah. It will be April 24 and 25, 2026. Signup sheet is in the red book so check it out and let him know if you are interested. There are already about a dozen people who have expressed interest.

Eric Colvin (in absentia) announced the winners of the Week 10 and Week 11 Football games (your newsletter editor waited to publish the newsletter until after the Week 11 Monday Night Football game ended so the MNF score is also included below).

RECOGNITIONS

Keith Thomas was not even granted a teeny tiny credit for his heroic and yeoman efforts in producing a calendar showing our meeting dates, DARK dates, and board meeting dates for calendar year 2026 (Lawry's was asking so we could renew our contract.) In case you would like to start putting dates into your 2026 calendar, a copy of the calendar he produced is attached below and can also be found [here](#).

GIFTS FOR THE PRESIDENT (Pres. Rebecca's recommended gift is jewelry.)

Bob Busch said that his daughter was vacationing recently in Florence, Italy, so he asked her to pick up a gift for **Pres. Rebecca**. She brought back a lovely black handbag made by a family-owned company that has been making leather products for 50 years. It is stamped "Vera Pelle" "Made in Italy" which is an authenticity mark used by Italian leather manufacturers. Above the text is a fleur-de-lis-style logo, which is also typical of many Florentine leather artisans. You really raised the bar on President's gifts...or at least we thought so until **Amber Fuhriman** presented her gift to **Pres. Rebecca** (see below).

Amber Fuhriman did an admirable job of bring the Presidential gifts back to earth with her gift to **Pres. Rebecca**. She said that she just returned from 10 days in southern California doing training sessions and when she finally had a down day, she went to her "happy place" ...the beaches of Huntington Beach. Her gift to **Pres. Rebecca**??? SEA SHELLS!! Not really jewelry in its current state, but it could certainly be made into jewelry according to **Amber**.

DRAWING

Amber Fuhriman was our winner today.

UPCOMING SPEAKERS AND EVENTS

JOKES OF THE DAY

Tom Martin – A new blonde stewardess began her first day. The route they were flying required that they make a stop in another city for the night. Soon after their arrival the captain showed all the flight attendants to their rooms. The next morning the pilot was preparing everyone to leave, and he noticed his new flight attendant was missing. He knew which room she was in at the hotel and called her up, as he was wondering what happened to her. She answered the phone, sobbing. "I can't get out of my room!" "You can't get out of your room?" the captain asked, "Why not?" The stewardess replied, "There are only three doors in here," she cried, "one is the bathroom, one is the closet, and one has a sign on it that says, 'Do Not Disturb'!"

BLAST FROM THE PAST

Here are a couple of "old" pictures. Can you identify the location, the people, and the year?

PROGRAM

Our program today was presented by **Joe Weaver**, Campaign Manager for governor Joe Lombardo.

He also serves as a spokesman for the Governor's re-election campaign and political action committee, "Nevada Way". In his role, he has provided official statements and updates on behalf of the Governor regarding campaign progress, legislative agendas, and policy positions on issues such as the economy and education. He is a prominent figure in Nevada Republican politics and frequently speaks at Republican events across the state

As campaign manager for Governor Joe Lombardo's re-election campaign, **Joe** brings serious credentials to the table.

He owns JW Political LLC and previously served as political director for Better Nevada PAC. Before that, he spent nearly four

years as State Director for the Republican National Committee in Las Vegas and worked as Regional Field Director for the Michigan Republican Party.

He and his wife, **Courtney**, have an 18-month-old boy and a little girl on the way. **Courtney** is the Director of Operations for [Keystone Corporation](#), one of Nevada's top conservative business advocacy groups and she has served as communications director for Adam Laxalt's U.S. Senate campaign and held key leadership roles including vice chair and national committeewoman for the Nevada Young Republicans.

Although he has deep roots in southern Nevada (his dad graduated from Bonanza HS and his mom graduated from Clark HS), they moved to northern Nevada when he was very young and he spent his growing up years there except for 6 years in Egypt.

He provided an excellent overview of what it takes to create campaign teams, campaign strategies, and the difficulties of working with uncertain budgets.

We appreciated his presentation and insight into a process than many of us only see from a surface standpoint.

Thanks so much, **Joe**, for a very timely and informative presentation and subsequent discussion.

CONCLUSION

We concluded with the 4-Way Test conducted by **Pres. Rebecca**.
