VISITING ROTARIANS

Tina Kern was in attendance today. She is a member of the Las Vegas Rotary Club and was visiting in her capacity as Assistant District Governor for our club. It's always good to have **Tina** visit. She encouraged participation in the [Rotary Leadership Institute](#) training coming up on April 4th. More details [here](#). She also put in a plug for [District Conference](#) and said there are going to be three "hands on" service projects relating to human trafficking, water issues, and food.

SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service;

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

GUESTS

Camilla Solea Rae, Ph.D joined us today as a guest of **Dan Mitchell**. Originally from Sao Paulo, Brazil, she has lived in Las Vegas for many years. She publishes [Red Rock City Lifestyle](#) and [South Vegas City Lifestyle](#), two luxury community magazines serving the western part of town. Prior to moving to Las Vegas, she was a Rotarian in Sao Paolo and comes from a Rotarian family. Her father was a Rotarian. She was a Rotary Exchange student in Montgomery, Alabama, and one of her brothers was an Exchange student in Alaska, and another brother was an exchange student in Australia. Welcome, **Camilla**, we hope you visit again.

ANNOUNCEMENTS

Jeanne Willett announced that the date of the Gold Raffle/MONTE CARLO NIGHT is 4/9. It will be held at the [Italian American Club](#). Flyers (copy attached and found [here](#)) were provided to each table. She stressed the importance of selling our gold raffle tickets and then requesting more when those have been sold. She went on to request assistance from all members to either donate bottles of wine, prizes for the Prize Wheel, or even cash donations to purchase prizes for the prize wheel. Our Gold Raffle began in 1978 when **Fred Kennedy** was president.

Tom Martin announced the date of our next Rotary golf outing in Southern Utah at the Sunbrook Golf Course in St. George, Utah. It will be April 24 and 25, 2026. Signup sheet is in the red book so check it out and let him know if you are interested. Also in the red book is a course play book and information about the course. There are already about a dozen people who have expressed interest. Tom made it known that we would be able allowed to cancel within the last week before the event.

Cynthia Hamada announced that she and **Justin** are still involved with the chess club at the Windmill library and recently marked two years volunteering there. She also led the club in singing "Happy Birthday" to **Bruce MacKenzie** who was celebrating his 29th birthday today.

Scott Baranoff updated the club on our international water project in Manila and said that their club president will be visiting soon and will make a presentation about the program. He also said that their club has made him an honorary member.

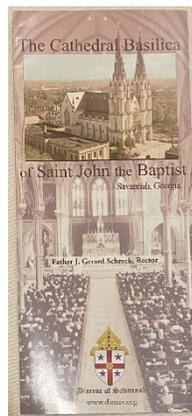

RECOGNITIONS

Keith Thomas was asked about the “clock” status and also about his recent trip. He said the clock is on hold inasmuch as the City of Las Vegas decided to back out. Discussions have been started with the County. As to his trip, he said they went to San Jose to [the Cinequest Film Festival](#) where his daughter Rebecca’s latest film, [Wardriver](#), was debuting. She is currently in New York filming another one.

GIFTS FOR THE PRESIDENT (Pres. Rebecca’s recommended gift is jewelry.)

Amber Fuhriman said that she and **Shaun** were in Savannah, Georgia, for business and in their free time visited the [Cathedral Basilica](#), the “Sistine Chapel of the South”. She brought a brochure and a holiday ornament. While there they ran into a ‘Rotary Clock’ and sent pictures (see attached).

Shaun Ochsner said that they also visited the [American Prohibition Museum](#) where he picked up a little jug.

Bruce MacKenzie said he made a quick trip to San Diego. Although he used to live there years ago, he hadn't been back in 13 years and was amazed at the new airport terminal. He brought back a pin from the airport.

Jeanne Willett said that she and **Scott** celebrated their 1st anniversary with a trip to Arizona and a ride on the [Verde Canyon Railroad](#). They also visited a [Skull Museum](#) in Jerome, AZ. They topped off the trip with a visit to [Keepers of the Wild Nature Park](#) in Valentine, AZ. She gifted **Pres. Rebecca** with a couple of pins.

UPCOMING SPEAKERS AND EVENTS

JOKE OF THE DAY

Scott Baranoff – An elderly lady of 80 comes to the pharmacy with a prescription. The pharmacist asks her “Is the prescription for you?”, “Yes” “You know that it’s a prescription for birth control pills? They won’t do anything for you.” “Oh, yes, they make me sleep peacefully.” “How so?” “I take one pill every morning, crush it, and dissolve it in my 16-year-old granddaughter’s glass of juice. That’s how I sleep peacefully!”

Tom Martin – A food critic visits a local restaurant to review its food for the town magazine. The owner welcomes him and shows him to the table. The food is presented to him and after a while, the critic calls the owner to say that there is something missing in his bowl of soup. The owner asks whether it is too spicy or sweet or salty. When the food critic says no, the owner decides to taste the souple himself but he can’t find the spoon. “Yeah,” says the critic, “this’s what is missing.”

DRAWING

Dan Mitchell was today’s winner.

BLAST FROM THE PAST

Today’s BFTP is a repeat but we have some newer members that probably haven’t seen it. Kudos and credits (?) to those who can identify the people in the picture and the occasion.

PROGRAM

Our program today was introduced by **Karl Maisner**: “Good afternoon, everyone. I am proud to introduce today’s speakers: my wife, **Rachelle**, whom most of you know, and our friend, [Chris Solomon](#).”

By day, **Rachelle** serves as Group Director of Marketing Effectiveness & Intelligence at VML, and **Chris** serves as Nevada State Director of [Rise](#).

Outside of work, **Rachelle** keeps busy as a second-degree black belt in Taekwondo and she takes part in several costuming and fandom groups, including Ghostbusters, the Star Wars Saber Guild, and of course, Star Trek.

Chris can most likely be found singing his heart out at any number of local karaoke hotspots around town.

Star Trek was an attempt to say that humanity will reach maturity and wisdom on the day that it begins not just to tolerate but take a special delight in differences in ideas and differences in life forms.

If we cannot learn to actually enjoy those small differences, to take a positive delight in those small differences between our own kind, here on this planet, then we do not deserve to go out into space and meet the diversity that is almost certainly out there.
