Keith Thomas – (the newsletter is posted each week on our [website](#) and on our [Facebook page](#))

Pres. Rebecca began the meeting by reminding everyone that we are DARK next Monday, 4/6, and that Gold Raffle (see announcements) will be on 4/9. She also said that today's meeting would essentially be done in reverse order and began with introductions. Loyal Rotarian Keith Thomas piped up and asked if things are being done backwards today and was advised that he was going to be fined \$100 for failing to listen to Pres. Rebecca's introduction. He piped down.

VISITING ROTARIANS

Mike Peterson from the Green Valley Rotary Club visited us today to promote their "KenDUCKy Derby" fundraiser (details in the flyer below). He is a financial adviser with Ameriprise Financial. He joined Rotary almost 20 years ago and is a past president of his club.

SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service;

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

GUESTS

[Jessie Baldwin](#) joined us today accompanying our speaker, **Wendi Cross**. **Jessie** is the daughter of **Chris** and **Lali Publow** and attended her first Southwest Rotary meeting 42 years ago when she was 8 years old (for all you math majors out there, that makes her 29 years old!) She is a Paul Harris Fellow and visits our club frequently with her dad. She has been involved for many years with the organization that is the subject of our program today. We always love to have club members' progeny present.

Dr. Jade Norris, MD ("Dr. Jade") visited us today as a guest of **Jeanne Willett**. **Dr. Jade** is a board-certified Family Medicine Physician and the Founder and Medical Director of **NSPIRE Primary Care**, a membership-based primary care practice in her hometown, Las Vegas. **NSPIRE Primary Care** is a concierge-style membership medical practice, also known as **Direct Primary Care** (or **DPC**) which provides accessible, affordable, and personalized healthcare for individuals, families, and businesses—designed around your time and your health. She will be our program in the weeks to come to tell us all about her practice.

RECOGNITIONS

None today except for the exorbitantly punitive fine assessed earlier in the meeting to the impoverished **Keith Thomas** who was furiously writing down notes for the newsletter and apparently missed the sotto voce announcement that the meeting was being run in reverse order contrary to the established order set in place many moons ago and considered sacrosanct by all Rotarians around the world, nay, even the universe and beyond, and . the fine apparently is going to stand so **Keith** is going to have to forego buying a birthday present for **Sherrie** on her upcoming birthday as he had been saving his nickels and dimes since her last birthday just so he could buy her something nice for a change...sadly, it is not to be.

GIFTS FOR THE PRESIDENT (Pres. Rebecca's recommended gift is jewelry.)

Paul Gustilo said that he and **Nancy** just returned from a 3-week vacation, the first time he has ever taken such a long vacation. He said they spent 5 days in Tokyo and the rest of the time in the Philippines. He brought home a puka shell necklace from one of the beaches they visited.

UPCOMING SPEAKERS AND EVENTS

2025-2026 calendar - ATTACHED BELOW. The 2026 meeting dates, dark dates, and board meeting dates can be found [here](#).

JOKE OF THE DAY

Scott Baranoff – A guy goes to the supermarket and notices an attractive woman waving at him. She says hello. He's rather taken aback because he can't place where he knows her from. So, he says, 'Do you know me?' To which she replies, 'I think you're the father of one of my kids.' Now his mind travels back to the only time he has ever been unfaithful to his wife and says, "Did you used to be a stripper???" She looks into his eyes and says calmly, 'No, I'm your son's English teacher.'

Tom Martin – The Boston Symphony was performing Beethoven's Ninth...In the piece, there's about a 20 min long passage during which the double basses have nothing to do. Rather than sit around the whole time looking stupid, some bassists decided to sneak offstage and go to the tavern next door for a quick drink. After slamming several beers in quick succession (as double bassists are prone to do), one of them looked at his watch, "Hey! We need to get back!" "No need to panic," said a fellow bassist. "I thought we might need some extra time, so I tied the last few pages of the conductor's score together with string. I'll take him a few minutes to get it untangled." A few minutes later they staggered back to the concert hall and took their places in the orchestra. About this time, a member of the audience noticed the conductor seemed a bit edgy and said as much to her date. "Well, of course," said her date. "Don't you see? It's the bottom of the Ninth, the score is tied, and the bassists are loaded."

DRAWING

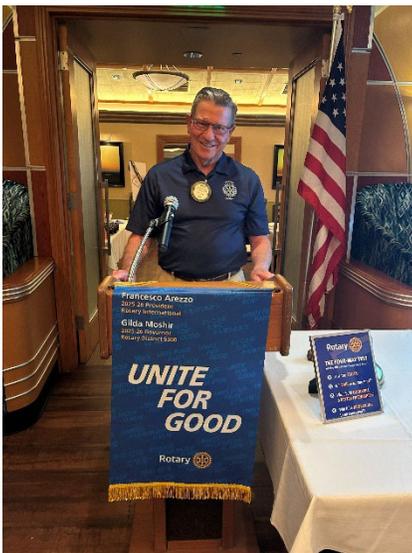

Tom Martin was today's winner.

BLAST FROM THE PAST

Today's BFTP is a repeat but we have some newer members that probably haven't seen it and will be repeated each week until at least one person can identify the people in the picture and the occasion.

PROGRAM

Chris Publow introduced his daughter, **Jessie Publow**, who then introduced **Wendi Cross**, who then presented today's program.

The very first day **Rick and Wendi Cross**, who live in Sacramento, CA, stepped foot in Africa in 2009, their hearts opened wide with the desire to grow their family through adoption.

Having four biological children prior to their first mission trip, they had thought their family was complete. God had other plans, and those plans were far greater than they had dreamt or imagined.

An international adoption from Ethiopia, short-term mission trip to Uganda and many years of growing relationships overseas, **Rick** and **Wendi** founded xHope, Inc. (xHope Missions). They became board members of a children’s home in Uganda known as Redeemer House and ultimately were able to bring Redeemer House under the umbrella of xHope to rebuild/restructure. Rick and Wendi found the Ugandan culture to be filled with the most loving, hard-working resilient families in the villages.

These families were not only willing, but they felt called to care for the orphans. We learned these families were willing to say YES if only they could be empowered and supported. With this knowledge we launched our education program. By partnering with the Ugandan government, supporting family reunification, and offering educational support, we have changed our model of orphan care to rescue, rehabilitate and reunify.

Although the international mission work was the heartbeat of their non-profit to start, things expanded when they got a call to adopt locally. Born out of the experience of kinship adoption through Sacramento County CPS, they quickly realized that families in their own community also needed support with reunification. Placing children with family meant the family needed support.

BUILD

We build businesses and schools in Uganda that help feed, educate, employ, and reunite children with willing family members. Our school helps relieve financial burdens, provides education.

SUPPORT

We partner with local and international foster agencies, churches, families, and school districts to advocate and provide services and resources for foster children in need as they wait for their support. We also meet the immediate needs of unsheltered children, low-income families, and aging out youth.

UNITE

Reunification is our ultimate goal. In Uganda, we help match children with willing family members and provide sponsorships to help relieve the financial burden. We rescue the orphan, rehabilitate the child and family, and reunify the child. Locally we help ease the adoption process with kits and resources for new families.

Our Southwest Rotary Club board of directors has approved a grant to the organization.

A copy of **Wendi’s** slide deck can be accessed online [here](#) which includes a video about the sports complex they are working on now.

Thanks so much for the great presentation and we look forward to **Chris’** report when he returns from his onsite trip coming up soon.

CONCLUSION

We concluded with the 4-Way Test led by **Pres. Rebecca.**
