SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service;

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

ANNOUNCEMENTS

Bruce MacKenzie reported on our final and very successful Happy Feet project of the school year. We were again at Ferron Elementary School and we "shoe'd" the third grade. Click [here](#) for pictures. Our next HF project will likely be in October after school starts again and since school principal Margaret Putnam is retiring in October, we plan to do a special acknowledgment to her inasmuch as she has been a good friend to our club for many years.

Tom Novotny announced that Rotary International's Day of Service is on Saturday, 5/16. Since we just did our club's "Day of Service" last week, we have been invited to participate with the Red Rock Rotary Club on the 16th assembling snack kits and feminine hygiene kits. We have participated with them in the past on the same project. It begins at 11:00 a.m. and will be held at the Otonomus Hotel on 5050 West Russell Road, LV (see complete details in the attached flyer).

Amber Fuhriman on behalf of **Jeanne Willett** announced that we have a place and a time for our last Greenspokes under **Pres. Rebecca's** Presidency!! We are encouraging all NEW members AND current members to come and enjoy a night of delicious BBQ and Entertainment from The Firelight Barn Dinner Theater (remember they spoke to our club a couple of months ago. You may remember the yodeling daughter!) Please let **Jeanne** know if you can make it. Dinner and a show will be provided. They offer pulled pork, chicken and a vegetarian option and she needs to know what your option is. Adult beverages will be available for purchase. If you have any questions, please email or call/text **Jeanne** (702-289-3854 or jeanneradde@gmail.com).

2025-2026 calendar - ATTACHED BELOW. The 2026 meeting dates, dark dates, and board meeting dates can be found [here](#).

GIFTS FOR THE PRESIDENT (Pres. Rebecca's recommended gift is jewelry.)

Keith Thomas said that they spent the weekend in Southern California and attended the Nate Bargatzke concert at the Intuit Dome. Since the trip was very expensive due to the high gas prices and hugely expensive concert tickets and since the merchandise stores at the Intuit Dome were closed, he said he almost gave up finding a suitable gift. However, on the way home he stopped at “[Eddy World](#)” and discovered the “World’s Biggest Necklace” so he bought it. Fortunately, it wasn’t too expensive as when he arrived home late Sunday, he found that his water heater was leaking and needs to be replaced. (Surely this story is worth a credit???)

Melissa Brooks said that she and **Marshall** just returned from visiting [Belize](#) and while there found some authentic Mayan earrings.

JOKE OF THE DAY

Scott Baranoff – Two nuns are painting an office at the rectory on a hot summer day. One says to the other, we should take off our habits so as to not get paint on them. So, both nuns are painting the room in the nude when they hear a knock on the door. Flustered, one says, "Who is it?" followed by a man's voice saying, "Blind man." Figuring the man wouldn't see anything, they open the door. The man walks in and says, "Wow, and where do you want me to install these blinds?"

Tom Martin – Went to my son's house. Got bored. Got up out of the sitting room chair and into the kitchen to see him. "Have you got a newspaper?" "Newspaper? Get modern, Dad, we get the news online nowadays!" and he handed me his tablet. Later on he came in and asked what I thought about using the tablet. "It's really good! I tell you that fly didn't stand a chance!"

DRAWING

Jordana Lane was today's winner.

We concluded with the 4-Way Test led by **Pres. Rebecca.**

Assembling Snack Kits and Feminine Hygiene Kits

Project of Las Vegas Red Rock

May 16, 2026

11:00AM – 1:00PM PDT

Contact: [Rebecca Fritz](#) **Otonomus Hotel** 5050 West Russell Road Las Vegas, NV 89118

The Rotary Club of Las Vegas Red Rock's first Epic Day of Service Event will take place on **Saturday, May 16, from 11:00 a.m. to 1:00 p.m. at Otonomus Hotel, 5050 W Russell Rd., Las Vegas, NV 89118.** During this time, Rotarians, community members, and corporate partners will come together to assemble **snack kits and feminine hygiene kits** that will be donated directly to the **Donna Street Community Center**, an organization dedicated to **supporting and uplifting youth and families in our community.**

Why are we assembling snack kits?

We desire to provide easy-to-grab snack kits for children who may not have consistent access to food at home. Each bag will include items such as Cup of Noodle soup, Capri Sun, fruit snacks, Slim Jims, granola bars, and other kid-friendly snacks. The cost of each snack kit will be approximately \$1.50. These snack kits will be distributed at the Donna Street Community Center, located in one of the most underserved areas of Las Vegas. Through this effort, Rotary Club of Las Vegas Red Rock is continuing to build a strong relationship with the Donna Street community by offering support and compassion. This project aims to bring comfort, hope, and nourishment to children—showing them that their community cares and that they are not forgotten.

Why are we assembling feminine hygiene kits?

Access to menstrual products isn't a luxury—it's basic dignity and health. Each bag will include enough products for a menstrual cycle, including tampons (variety of sizes), pads (variety of sizes), panty-liners, individually wrapped flushable wipes, and chocolate. The cost of each feminine hygiene kit will be approximately \$3.50. We provide enough products for a full cycle because providing a few days' worth of products forces people to ration, improvise, or go without. A full cycle's supply aligns with the reality of menstrual cycles and prevents recurring crises. When products aren't available, people may use unsafe alternatives (paper products, cloth, prolonged use of the same item), increasing the risk of infections, rashes, and other health issues. A month's supply supports safe, hygienic use. Menstrual products are an ongoing expense that competes with food, rent, and utilities. A month's supply meaningfully eases financial strain instead of offering a short-term stopgap. Additionally, girls will avoid going to school if they do not have the necessary products.

Alanna

Age: 7

Favorite Program: STEAM

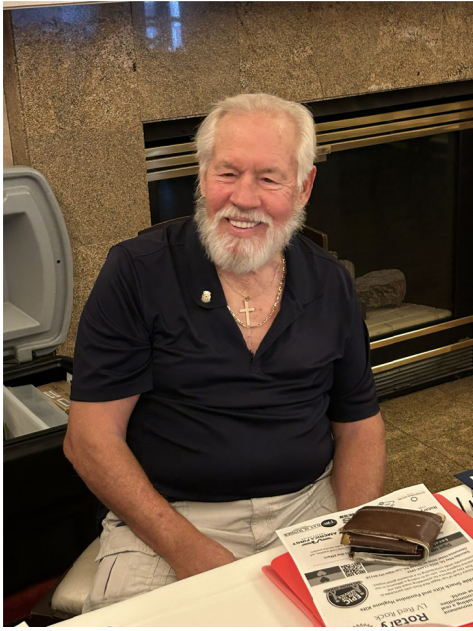

When Alanna came to NBCF with low vision that continues to deteriorate, our team knew early braille instruction would be critical to her success. Through our preschool program, she learned to read by touch and use a braille before kindergarten – giving her the tools she needs as her vision fades. Now a thriving second grader, Alanna continues to grow through NBCF's afterschool programs, building confidence, independence, and a bright future.

Champion the next Alanna.
