VISITING ROTARIANS

Toni Kern visited us today accompanied by her husband, **Jerry Brown**. She is a member of the Las Vegas Club and is the District 5300 Area Governor for our club. Always good to have them visit. Welcome!

SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service;

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

GUESTS

Tom Llewellyn joined us again today as a guest of **Bruce Pope**. They are neighbors at Las Ventanas and have known each other for many years inasmuch as their wives were both involved in P.E.O. He has lived in Las Vegas for about 18 years and moved here to be near 2 granddaughters. He worked for the State of West Virginia for about 30 years doing child welfare and IT work. He will be meeting with **Jack Woodcock** in the next few weeks to prepare for his induction into our club. Yea! And welcome!!

ANNOUNCEMENTS

Bruce MacKenzie announced that **Debunking** is scheduled for Thursday, June 25, 2026, starting at 6:00 p.m. It will be held in Nino's Kitchen at Angel Park Golf Club. Nino's Kitchen is located in Summerlin and has breathtaking views of the Mountain, Palm and Cloud 9 golf courses. He said that in recognition of **Pres. Rebecca's** roots in Texas, the menu will feature BBQ.

Jeanne Radde announced that at her Presidential Retreat on 6/13 at [The Retreat on Mt. Charleston Peak](#), many good ideas and plans were made for the upcoming year. One of the immediate events coming up is a Knight Hawks Football Game toward the end of July. Signup sheets will be in the Blue Book.

RECOGNITIONS

Duncan Lee was asked about his upcoming travel plans. Not really much, he said, just getting ready to go to Park City, Utah for the summer until September. He said he would be back a couple of times and his summer will also be interrupted by a little trip to Europe to take a cruise down the Rhine River which will include five stops to play golf. He said they will be taking a side trip to Tuscany for a private concert at Andrea Bocelli's beach club and private house for a charity event.

Ken Cox said he and his family are headed to Panguitch Lake over the 4th of July and then from the 18-22nd he will be in Alaska fishing for salmon. He said his freezer is already full and he plans on bringing back his limit of 100 pounds so if you want some salmon, give him a call. Once you eat wild caught salmon, he says, you won't be satisfied with anything else. He said he is also looking forward to the 60-degree weather. He said he just was in Alaska three weeks ago (making sure the lodge was operating properly, he said!)

Greg Mottau is headed back to Portland to visit family and attend graduations and other events. He is a proud grandpa and regaled us with tales of the exploits of his talented grandchildren. Adopted from China, they are all doing wonderfully well, including a grandson who is enrolled at Cal Poly University in aerospace engineering and was recently recognized as being outstanding in his freshman class.

Jack Woodcock is headed to Costa Rica with **Kathy** for a short vacation. He said he visited there a long time ago with one of the club members. He said he was single at the time and expects that the experience this time will be a lot different. Jack is always sartorially splendid and today was no different, including his cufflinks which he received during a visit to the White House where I'm sure he had been summoned by the President to provide advice on the national real estate economy.

UPCOMING SPEAKERS AND EVENTS

2025-2026 calendar - ATTACHED BELOW. Note that the 2026-2027 meeting dates, dark dates, and board meeting dates are also included on the calendar which comes directly from DacDB. Click [here](#) to see an online copy of the draft 2026-2027 meeting dates, dark dates, and board meeting dates, which were discussed at **Jeanne's** Presidential retreat.

GIFTS FOR THE PRESIDENT (Pres. Rebecca's recommended gift is jewelry.)

Keith Thomas was the only gift giver at the final meeting of **Pres. Rebecca's** encore year as President. And his gift wasn't even for **Pres. Rebecca**.

Instead, he presented incoming **Pres. Jeanne** with a handmade "skirt" for the Rotary Roulette Wheel that made its debut at the recent Gold Raffle. He said he made it all himself, including purchasing the materials, cutting out the pattern, hand sewing the stitching, and finishing it into the fine "skirt" that it is. He said he didn't want any remuneration even though he had to sell one of his vehicles in order to afford the materials. After presenting it to soon-to-be **Pres. Jeanne**, he was immediately fined \$100 for violating the 4-Way Test and was forced to acknowledge that his wife, **Sherrie**, had actually done all the work. He did take credit for bringing it to Rotary today (he was supposed to bring it last week.)

JOKE OF THE DAY

No jokes today.

Amber Fuhriman was today's winner.

PROGRAM

Our own, [Amber Fuhriman](#), was our speaker today. She is an Attorney, Success Strategist, Speaker, Podcast Host, Mindset Motivator, and Trainer of Neuro-Linguistic Programming (NLP).

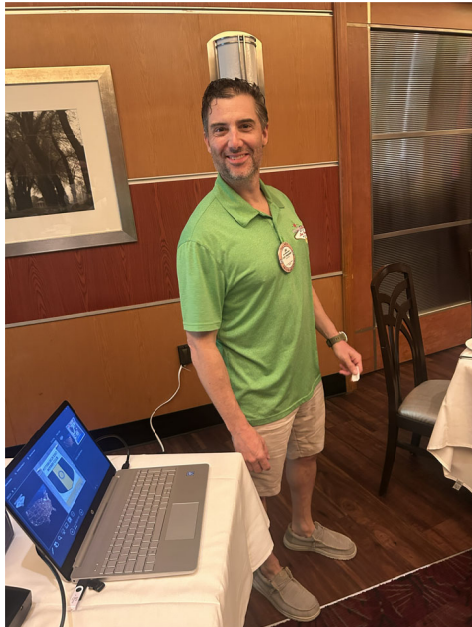

From her "LinkedIn" profile: "I have been a practicing attorney since 2012. I opened my law firm in 2017. In 2016, through my own experiences, I started questioning what success meant to me. I spent the next few years learning about how the mind works, the power of our words and thoughts, and why we have the limiting beliefs and fears that we have. I became a Certified Master Practitioner in Neuro-Linguistic Programming (NLP). I started my podcast, "More Than Corporate" to discuss different ideas of success and other mindset topics related to accomplishing goals. I founded Success Development Solutions to help people define their own idea of success, define their best life, and get out of their comfort zone to live that life! Together, between the law firm, the podcast and Success Development Solutions, I give my clients information necessary to allow them to make the decisions best for them and take control of their future."

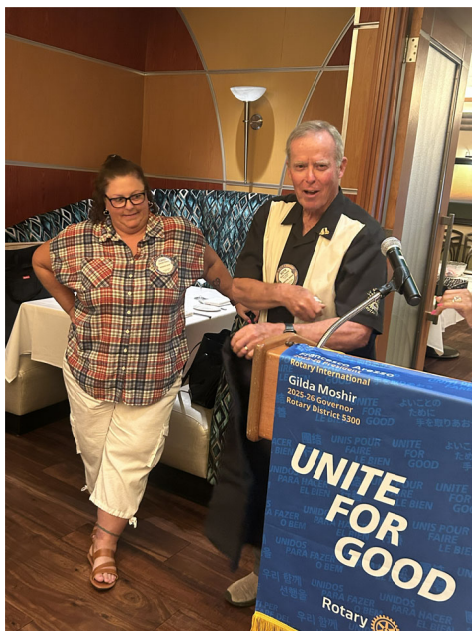

A copy of her presentation is attached. Thanks so much, **Amber!**

CONCLUSION

We concluded with the 4-Way Test led by **Pres. Rebecca**.

What is NLP?

Rewiring unconscious patterns that run your business without you realizing it.

Imprint = 0-7

Your words don't describe your reality. They determine it.

"I have to make these calls."

Pressure. Dread. Something done TO you.

"I get to make these calls."

Choice. Ownership. Something you DO.

Same phone. Same list. Two completely different programs running underneath.

Anything that can be programmed can be reprogrammed.

The old program

Runs on autopilot. Built before you could choose it.

becomes

A program you choose

Installed on purpose. Aligned with the life you actually want.

You weren't born with these beliefs. You learned them. That means you can learn new ones.

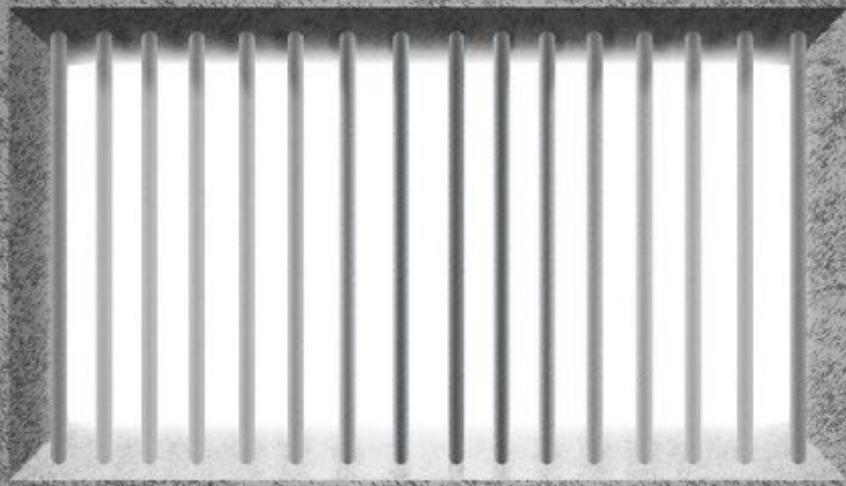

“

You can't escape from a prison until you recognize you are in one. People who have chosen to live within the limits of their old beliefs continue to have the same experiences. It takes effort and commitment to break old patterns.

”

Someone Doesn't Answer Their Phone For a Sales Call

Behavior

They hate me – They'll Never Buy from Me – I'm Never Talking to them Again

Two questions that start the shift

1. Get intentional about every decision.

What does success look like in this meeting, this call, this conversation? Why is this on my calendar? In a perfect world, what happens next?

2. Ask what about this is about me.

Your triggers are running your relationships, your team, your sales, and your finances. Name where they came from and they lose their grip.
