SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service;

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

[DeMarco's Pizza](#) at 9785 W. Charleston Blvd. Las Vegas, NV 89117 (Charleston and Hualapai). It will begin at 6:00 p.m.

Eric Colvin announced that it is hard to believe another Football Season is upon us. Which means it is time to sign up for Sunday and Monday Night Football. Here are the particulars in case you forgot:

Each square on Sunday or Monday costs \$100 (\$5.88 per game for 17 games) and you can buy as many squares as you want (subject to availability). You can invite friends and family and the contest runs for 17 weeks with new numbers every week.

Payouts are \$50 for 1st and 3rd Quarter and \$100 for Half and Final. Payouts are all done at end of regular season just in time for the playoffs.

Proceeds of the contest will go to support our clubs Vocational Services which include: \$10,000 scholarship to a Nevada institution, RYLA (Rotary Youth Leadership Awards), TLC (Teen Leadership Camp), Dan Stover Music Contest, 4 Way Speech Contest.

Contact **Eric** to select your square(s). Please note that if you have played in the past, you get first dibs on your prior year's square(s).

Thanks for supporting the Las Vegas Southwest Rotary Club, since 2016 we have raised just over \$100,000 to support Rotary.

Toni Kern announced that she supports an organization called "Green our Planet" that will be having a Farmers Market on 10/14 at the Clark County Government Center. Click [here](#) for more information. The event will run from 7:30 pm to 9:00 pm.

Jordana Lane announced that the annual "Safety Officer Award Recognition" event is scheduled for September 21st at City Hall. **Pres. Jeanne** and **Jordana Lane** are on the committee and **Jordana** was in charge last year and **Pres. Jeanne** is in charge this year. The event is sponsored by all the Rotary Clubs in the valley. The event begins at 8:30 a.m. with coffee and snacks with the presentation from 9:00 to 10:30.

RECOGNITIONS

Bruce Pope called for recognition of **Jordana Lane** for completing 20 years in the real estate business.

Ron Reynolds was recognized for his recent birthday and was asked if he had any advice for the club. He said, "Never give advice to other people". (Wait...isn't that what he is paid to do as an attorney?) Asked how he celebrated, he said that they ordered a 16" Grimaldi pizza, a chocolate milkshake, and watched TV.

Joe Wittenwiler also celebrated a recent birthday and said that he and Taryn's birthdays are just one day apart so they went to the Durango Casino Happy Hour and then to ["Swingers Golf" at Mandalay Bay](#). He also said they went to Bend, Oregon to compete in a marathon which for **Taryn** turned into a marathon plus inasmuch as she strayed off course and went an extra 10 miles or so. When she didn't show up at the finish line at the expected time, **Joe** said he approached the medics and rescue personnel who reassured him that she would either show up or they would find her. She finally found her way to the finish line none the worse for wear. While in Bend, they visited the last remaining "Blockbuster" store in the world.

UPCOMING SPEAKERS AND EVENTS

2025-2026 calendar - ATTACHED BELOW. Note that the 2026-2027 meeting dates, dark dates, and board meeting dates come directly from DacDB.

JOKE OF THE DAY

Joe Wittenwiler – What do you call two blackbirds that stick together... "Velcrow".

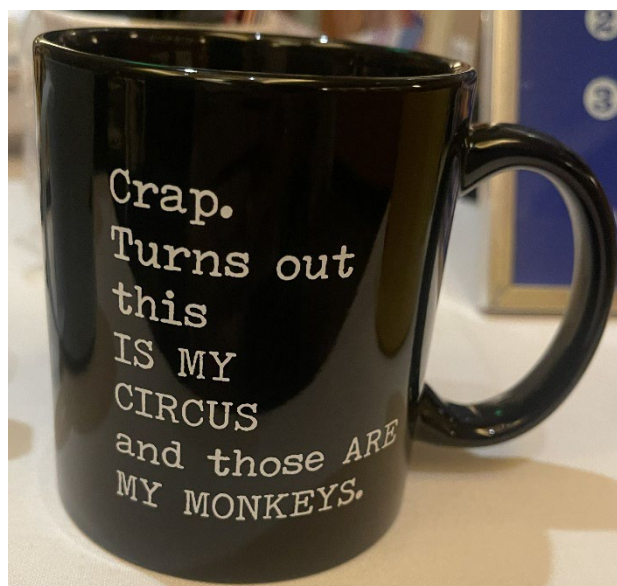

Tom Martin – A hillbilly family took a vacation to New York City. One day, the father took his son into a large building. They were amazed by everything they saw, especially the elevator at one end of the lobby. The boy asked, "What's this, Paw?" The father responded, "Son, I have never seen anything like this in my life. I don't know what it is!" While the boy and his father were watching in wide-eyed astonishment, an old lady in a wheelchair rolled up to the moving walls and pressed a button. The walls opened and the lady rolled between them into a small room. The walls closed and the boy and his father watched small circles of lights above the walls light up. They continued to watch the circles light up in the reverse direction. The walls opened again, and a voluptuous twenty-four-year-old woman stepped out. The father turned to his son and said, "Go get your maw!"

DRAWING

Justin Hamada was today's winner.

GIFTS FOR THE PRESIDENT (Pres. Jeanne's recommended gift is coffee mugs.)

Rebecca Collett presented **Pres. Jeanne** with a mug the origin of which unfortunately escaped the bulletin editor's notes. Nonetheless, it is a cool mug with an interesting saying...

Paul Gustilo said that he and **Nancy** spent some time in Albuquerque and Santa Fe, New Mexico where they took in a flamenco show. Turns out Albuquerque and Santa Fe are the heart of flamenco in North America, with year-round [tablaos](#), and the largest annual flamenco festival outside of Spain across these two New Mexico cities.

Joe Wittenwiler brought back a unique mug from his trip to Bend, Oregon. As mentioned above, he and **Taryn** visited the last remaining Blockbuster store in the world where he was able to pick up a branded yellow mug.

THE POOR MAN'S DEATH

Ramchand and Premchand were neighbours. Ramchand was a poor farmer. Premchand was a landlord.

Ramchand used to be very relaxed and happy. He never bothered to close the doors and windows of his house at night. He had deep sound sleeps. Although he had no money he was peaceful.

Premchand used to be very tense always. He was very keen to close the doors and windows of his house at night. He could not sleep well. He was always bothered that someone might break open his safes and steal away his money. He envied the peaceful Ramchand.

One day, Premchand call Ramchand and gave him a boxful of cash saying, "Look my dear friend. I am blessed with plenty of wealth. I find you in poverty. So, take this cash and live in prosperity."

Ramchand was overwhelmingly happy. He was joyful throughout the day. Night came. Ramchand went to bed as usual. But, to-day, he could not sleep. He went and closed the doors and windows. He still could not sleep. He began to keep on looking at the box of cash. The whole night he was disturbed.

As soon as day broke, Ramchand took the box of cash to Premchand. He gave away the box to Premchand saying, "Dear Friend, I am poor. But, your money took away peace from me. Please bear with me and take back your money."

Moral: Money can not get everything. Learn to be satisfied with what you have and you will always be happy.

AFFORDABLE HOUSING & NEVADA HAND OVERVIEW

NEVADA HAND

HOUSING CONTINUUM

THE NEED: NEVADA'S HOUSING CHALLENGE

No state has an adequate supply of affordable rental housing for the lowest-income renters.

Nevada's ratio of supply to need is the worst in the nation.

LOW-INCOME HOUSING TAX CREDIT (LIHTC)

The primary federal vehicle for attracting private equity to finance affordable rental housing. Rather than relying solely on direct government subsidies, LIHTC incentivizes private investors through dollar-for-dollar reductions in federal tax liability.

Since its creation in 1986, LIHTC has financed the development or preservation of more than 3.3 million homes nationwide, serving approximately 8 million low-income households.

Impact of LIHTC in Nevada 1986 - 2024

- 39,073 affordable homes developed or preserved
- 92,508 low-income households served
- 65,793 jobs supported for at least one year
- \$2.68B in tax revenue generated
- \$7.42B in wages and business income generated

THE FOUR PILLARS OF RESIDENT SERVICES

Professional, personalized support that creates “More Than a Home”

Affordable housing is key to creating stability, but housing alone does not address all the challenges faced by low-income seniors and families. Therefore, **Nevada HAND communities offer “More Than a Home” through supportive, on-site Resident Services designed around four pillars aligned with the social determinants of healthy communities:** Economic Stability, Education, Health and Wellness, and Community Engagement. The Resident Services program helps Nevada HAND residents live happier, healthier, more stable and successful lives, and in turn increases our community’s economic viability.

Personalized outreach is a hallmark of Resident Services. Our expert, experienced Resident Services Coordinators conduct collaborative individual assessments to help residents access programming, resources, and referrals to support their unique needs.

Nevada HAND is a Certified Organization for Resident Engagement & Services (CORES). CORES is a rigorous, peer-reviewed, national certification process that recognizes an organization’s commitment to the highest standards for resident services, a deep commitment to resident health and well-being, and data-informed operations and decision making.
