VISITING ROTARIANS

[Jackie Thornhill](#), although technically not a visiting Rotarian, joined us again today. She is a former member of the Las Vegas Club where she served as President in 2019-2020 after which she served as an Assistant Governor for 2 years. She is from Mt. Airy, North Carolina where she also was a member of Rotary. She is looking to get back involved in Rotary and has expressed interest in joining LVSWR. Welcome back, **Jackie!**

Eric Schimmoeller joined us today as a guest of the club. He was instrumental as the coordinator between UNLV and the “dorm kit” project and he helped get the UNLV “swag”. **Eric** is a member of the Las Vegas Rotary Club and is UNLV’s Senior Director for Gift Planning. **Pres. Jeanne** expressed the club’s appreciation for his help and gifted him with a couple Lawry’s gift cards.

SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service;

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

Payouts are \$50 for 1st and 3rd Quarter and \$100 for Half and Final. Payouts are all done at end of regular season just in time for the playoffs.

Proceeds of the contest will go to support our clubs Vocational Services which include: \$10,000 scholarship to a Nevada institution, RYLA (Rotary Youth Leadership Awards), TLC (Teen Leadership Camp), Dan Stover Music Contest, 4 Way Speech Contest.

Contact **Eric Colvin** to select your square(s). Please note that if you have played in the past, you get first dibs on your prior year's square(s).

Thanks for supporting the Las Vegas Southwest Rotary Club, since 2016 we have raised just over \$100,000 to support Rotary.

RECOGNITIONS

Duncan Lee was welcomed back after missing a couple of meetings. Asked where he had been, he said they have been summering in Park City, with a break to take a cruise down the Rhine River where they occasionally had to take a bus due to a shortage of water in the river. He said even Tuscany was short on water. He said they just returned yesterday and are headed back to Park City to cool off.

Tom Llewellyn was asked about his recent whereabouts. He said they flew out last Friday afternoon to attend their oldest granddaughter's wedding. He said he remembers most of it and plans to be back in shape for a trip they are taking in a month or so to Switzerland and the Netherlands.

Lori Clarke missed a meeting or two but had a good reason. She was back in Star Valley, Wyoming for the celebration of life for her dad and his wife. She said they had a lot of people in attendance who told some good stories about "Gibby" (her dad and former long time Southwest Rotarian, Gib Oswald, who joined Southwest Rotary in the 60's as one of the youngest ever to join the club.). Even her brother had some good stories about the old Westgate Drug days. She said maybe the fact that it was an open bar contributed to the attendance and stories.

JOKES

Lori Clarke said that in her dad's effects, she found a compendium of his Rotary jokes over the years. Since most are somewhat ribald, she selected one of the mild ones for today..."A delivery boy delivered a prescription to a little old 74-year-old lady, and while talking, proceeded to eat up all the peanuts on her buffet table. "Oh, I'm so sorry," he said when he got ready to go, "Maybe I better buy you some more peanuts since I ate them all while talking." The little old lady said, "Oh, never mind sonny, at my age all I can do is suck the chocolate off of them anyway." (**Lori** followed that up with a story about one of her daughters who liked to suck jelly beans but not eat them. Unfortunately for Lori, her daughter would put the "used" jelly beans back in the bag and you can imagine what happened next!)

Tom Martin – Patrick and Michael were the best of friends. One day they decided to go bicycling together, but they only had one tandem bicycle. Since Michael was much stronger, he offered to sit in the front seat

and steer while Patrick took the back seat. They eventually came to a massive, incredibly steep hill. Michael started pedaling with all his might, straining his muscles, sweating profusely, and puffing like a steam engine. He pedaled and pedaled until his legs felt like jelly, but he kept pushing until they finally reached the very top of the hill. Exhausted, Michael collapsed over the handlebars, gasping for air. "Man, Patrick," he panted, "that was the toughest climb of my life! I thought we were never going to make it up that hill!". Patrick wiped his brow, nodded in agreement, and said, "I know, Michael! It's a good thing I kept the brakes slammed down the whole time, or we would have slid right back to the bottom!"

Bruce Pope - Two grandparents agreed to take turns driving their 7-year-old granddaughter to school. Grandma took her on the first day, and Grandpa took her on the second day. As Grandpa was dropping her off, the little girl said, "I didn't meet any new people today. "Grandpa asked, "What do you mean? "The little girl replied, "Well, when I rode with Grandma yesterday, I saw at least 4 morons, 2 or 3 blind ladies, a numbskull, several freaking idiots, and about 3 people who drive like some guy named Stevie Wonder!"

DRAWING

Bruce MacKenzie was today's winner.

GIFTS FOR THE PRESIDENT (Pres. Jeanne's recommended gift is coffee mugs.)

Duncan Lee gifted **Pres. Jeanne** with an ornate coffee mug from Deer Valley, Utah (near Park City) that includes a map of the mountain inside the mug.

Cynthia and Justin Hamada just returned from attending the [ASEA Convention in Salt Lake City](#) and brought back a one of a kind mug not available anywhere else.

BLAST FROM THE PAST

Anyone know where this memorial plaque is located?

Here is a hint.

PROGRAM

Our program today was presented by **Dan Harutunian**. He currently serves as the International Chair for the Westlake Village Sunrise club and is his club's President Elect for 2027-2028.

Dan's passion for the world around him, regardless of political borders, started with a childhood spent in Europe, the US and the Middle East, and continued onto college where he was among the first group of American students permitted to study in the Soviet Union.

Along the way, he earned a B.A in Economics and his Masters in Law from Texas A&M University and now works as a Certified Financial Planner (CFP) with Tarkenton Financial.

Aside from his love of his clients, he loves to travel, collect old menus and enjoys speaking on Rotary's International, Youth and Peace Building initiatives.

He spoke about an important hospital grant coming up in the Republic of Armenia. It's designed to help refugees from a war in the neighboring country.

He also spoke about global grants in a general sense and about some of the projects they are doing. He is also working on a Global Peace project that allows students to play a peace game with each other. So far, they have Interact clubs in 3 different countries signed up.

A copy of his presentation is attached.

Thanks so much for a very interesting discussion, particularly the Q&A after the presentation!

CONCLUSION

We concluded with the 4-Way Test led by **Pres. Jeanne**.
