VISITING ROTARIANS

Dr. Jim Justus Nyamu joined us today. He is a member of the [Rotary Club of Juja](#). Juja is a fast-growing municipality and university town located in Kiambu County, Kenya, about 30 kilometers north of Nairobi along the Thika Superhighway. He is the Executive Director of the [Elephant Neighbor Center](#), which is a grassroots conservation organization based in Nairobi, Kenya, focused on protecting African elephants and promoting human-wildlife coexistence. He is in the process of [walking](#) from Oakland, CA to New York to raise awareness about his cause. **[*California-to-New York Ivory Belongs to Elephants conservation walk*](#)** - the 20th Edition of the Ivory

SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service;

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

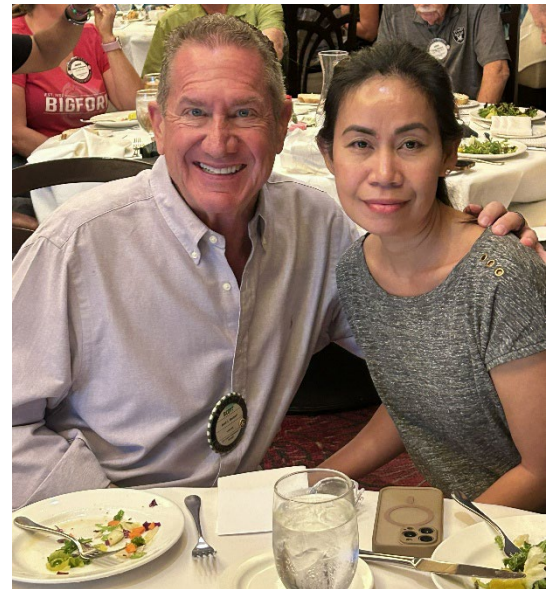

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

[Jackie Thornhill](#), although technically not a visiting Rotarian, joined us again today. She is a former member of the Las Vegas Club where she served as President in 2019-2020 after which she served as an Assistant Governor for 2 years. She is from Mt. Airy, North Carolina where she also was a member of Rotary. She is looking to get back involved in Rotary. Welcome, **Jackie!**

GUESTS

Marjorie Cohron joined us today as guest of her fiancé, **Scott Baranoff**. Welcome, as always. We love to have you visit us.

Matt Fournier also joined us again. He is a financial advisor with Ameriprise and will be the financial advisor to the LVWR 501©(3) foundation.

Pres. Jeanne also announced the receipt of correspondence from the District 5300 Rose Bowl Float Committee (see attached). Check it out. You can also volunteer to help decorate the float, which is a lot of fun (ask **Keith Thomas**, as he and **Sherrie** have been past decorating volunteers).

RECOGNITIONS

Keith Thomas was thanked for writing an article about SOAR for the District 5300 Newsletter. He was also gifted a few Lawry's cards! A copy of the article is attached to today's newsletter.

PDG Tom Novotny was recognized for responding to **Pres. Jeanne's** recent plea for volunteers. She had said that **Scott Willett's** niece is going to school to be a phlebotomist and she needed people to draw blood from. **Scott** had already gone and said she did a great job. **Tom** said that he was greeting by a number of people all ready to experiment on him. Apparently, all went well since **Tom** lived to tell the tale. He was also gifted a few Lawry's cards.

Melissa Brooks was congratulated for passed the last section of her CPA exam! Well done, **Melissa**. (Hey, no gift cards???)

JOKES

Tom Martin – Britain's oldest woman turned 114 today. When asked the secret to her longevity, she attributed it to taking a walk at midnight every night. When quizzed on whether she was concerned about the increase in muggings in recent years, she said that she was not, and would continue mugging people as long as her health holds out.

Rebecca Collett - On their way to get married, a young couple was involved in a fatal car accident. They found themselves sitting outside the Pearly Gates, waiting for St. Peter to process them into heaven. They wondered if they could get married in heaven and asked St. Peter when he arrived, who replied he would have to check and left them waiting for months. After three months, a bedraggled St. Peter returned to confirm they could indeed get married. When the couple immediately asked if they could also get a divorce in heaven if things didn't work out, an enraged St. Peter slammed his clipboard down and shouted about how long it took him just to find a priest.

Dr. Jim Justus Nyamu presented a memento t-shirt to **Pres. Jeanne**.

Paul Gustilo said that he and **Nancy** just returned from a short trip to London, where they also visited Stonehenge and found an appropriate coffee cup.

Tom Novotny said that he just returned from his 55th high school class reunion which was held in Custer State Park in South Dakota. Not only did he bring back a cool coffee cup but he also brought home a “chaser” which, if you will notice from the picture below, was apparently already chased and caught at the reunion!

Lori Clarke said she has only been going to Wyoming lately so she decided to bring back a “small” coffee mug

BLAST FROM THE PAST

Here is a picture that surfaced during today’s board meeting. A huge prize awaits anyone who can identify at least six of the people in the picture.

PROGRAM

Our speaker today was our own **Scott Baranoff**. He has been a member of Southwest Rotary since 5/1/87, earning him the No. 7 spot on the list of current Southwest Rotarians who have been members the longest. He retired two years ago as a urologic surgeon and currently he and **Marjorie** split their time between their home in Boulder City and their luxury condo in Manila.

He spoke to the club about the water filter project spearheaded by the Rotary club that he attends while he is in Manila and which our club helps support.

Click [here](#) for pictures in Manila, the [Rotary Club of Makati Dasmariñas](#), and videos of the water project and, of course, his luxury condo.) His condo overlooks the [Manila American Cemetery and Memorial](#), the cemetery that holds the largest number of U.S. military dead from World War II.

Thanks so much, **Dr. Scott**, for an interesting and enlightening presentation.

CONCLUSION

We concluded with the 4-Way Test led by **Pres. Jeanne**.

Southern Nevada Rotary Clubs Honor Its Quiet Heroes Through SOAR

On September 21, 2026, the Rotary Clubs of Southern Nevada celebrated the 26th Annual Safety Officer Award Recognition (SOAR) Ceremony, honoring public safety professionals who exemplify Rotary's motto, **"Service Above Self."**

The program, developed by a joint committee of Southern Nevada Rotary clubs (headed by Southwest Rotarians Jordana Lane and Jeanne Willett), recognizes individuals whose daily service protects, strengthens and improves our communities.

SOAR began in 2000 through the efforts of retired Los Angeles County Sheriff's Captain Bob Wood and Janie Lynn, then president of the Sunset Rotary Club. From its beginning with eight participating agencies, the program has grown to involve 23 agencies and has recognized more than 1,000 men and women for their service.

The program intentionally focuses not only on extraordinary acts of heroism, but also on the **"quiet heroes"** who consistently perform their duties with professionalism, compassion and dedication.

The 2026 honorees represent the remarkable breadth of public service in Southern Nevada. Their stories include firefighters saving lives, law-enforcement officers protecting vulnerable victims, investigators combating elder exploitation and human trafficking, officers responding to life-threatening emergencies, and professionals whose leadership strengthens their organizations and communities.

The common thread is service. Whether responding to an emergency, mentoring a colleague, protecting a child, assisting a victim or simply performing demanding responsibilities day after day, these honorees demonstrate what Rotary means by **"Service Above Self."**

SOAR is more than an awards ceremony. It is all of the Southern Nevada Rotary Clubs working together to say "thank you" to the men and women who serve our communities every day—and reminding us all of the powerful difference that service can make.

ROTARY CLUB OF LAS VEGAS SOUTHWEST

LAS VEGAS, NV 89136-2612

Dear Club President and Fellow Rotarians:

On January 1, 2027, a Rotary float will once again travel down Colorado Boulevard in the Tournament of Roses Parade—marking the 47th year of one of Rotary's most visible public-image traditions.

For nearly five decades, the Rotary Rose Parade Float has shared Rotary's impact with the world—one float at a time.

- A child who learned to read because Rotarians invested in literacy.
- A family whose life changed through access to clean water.
- A community rebuilt after disaster.
- A person given hope because someone chose Service Above Self.

Rotary's float reaches more than 28 million television viewers, hundreds of thousands of spectators along the parade route, and millions more through streaming platforms—carrying a message the world needs to see:

When People of Action come together, we Create Lasting Impact.

The 2027 Rotary float, "**Where Communities Bloom**," will feature a thriving village carried by a giant tortoise, symbolizing the connection between a healthy planet and strong communities. It celebrates Rotary members who restore ecosystems, improve water quality, protect natural resources, and advance sustainable solutions that help communities thrive.

But Rotary's presence in the Rose Parade is not funded by Rotary International. It is made possible through the voluntary support of clubs, districts, individual Rotarians, and friends who believe Rotary's story deserves to be seen.

Every club can help. Every Rotarian can help. Every gift matters.

Whether the Rotary Club of Las Vegas Southwest can contribute **\$20, \$100, \$250, or another amount meaningful to your club**, every contribution helps bring Rotary's message to life on New Year's Day. Individual members are also warmly invited to make a personal gift.

When clubs and Rotarians throughout the United States and Canada join together, individual contributions become something extraordinary—a powerful reminder to millions that Rotary is changing lives and building a brighter future.

Please place this request on the agenda for your club's next board or membership meeting and share this opportunity with members who may wish to participate personally.
