VISITING ROTARIANS

Christina Sallman from the Boulder City Rotary Club joined us for a visit today. She visited our club in December last year with her friend **John Mahaffey** from the Rotary Club of Decatur, Illinois. In fact, she visited on 12/8/25, the same day that today's speaker spoke to us about Human Trafficking. She moved to Las Vegas from Kansas about 21 years ago to work in the casino industry and now works in the health and wellness industry. Check out her website here. Welcome, **Christina**, you are always welcome here.

SERVICE ABOVE SELF

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First The development of acquaintance as an opportunity for service;

Second High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third The application of the ideal of service in each Rotarian's personal, business, and community life;

Fourth The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

ROTARIAN CODE OF CONDUCT

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behavior that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment.

ANNOUNCEMENTS

Toni Kern announced the annual "Santa Clothes" project sponsored by the Las Vegas Rotary Club. They are looking for volunteers for the event which will be held on December 3, 2026. Through this program, members of our club and other Southern Nevada Rotary clubs throughout the valley, along with their adult family members and friends, can volunteer to participate in shopping for shoes, socks, shirts, pants, and jackets with a child in need at J.C. Penney's. After they are done shopping, the children are taken to the Boy Scout Area Council's facility for a field day where they get to play games at stations prepared by UNLV athletic teams. Click here for more information or contact **Toni Kern.**

Eric Colvin reminded everyone that this year's Holiday Party will be held at his home on December 10th. He will be sending out invitations soon.

He also announced that he has about 5 tickets for the play "Elf" at the Smith Center and if you are interested, to contact him.

He also announced the winners of the Week 8 football pools (your newsletter editor added the Monday Night results since your editor didn't get the newsletter out until after the game.)

Bruce MacKenzie announced Rotary District 2981 has invited District 5300 Rotarians to a Friendship Exchange in Puducherry and Tamil Nadu, January 7–17, 2027. The team arrives in Chennai on January 7 and departs on January 18. Rotary International District 2981 covers parts of Tamil Nadu and Puducherry in India, including cities like Thanjavur, Thiruvarur, Kumbakonam, Cuddalore, and Pondicherry. This is home hospitality with fellow Rotarians. Participants stay in Rotarian homes, share meals, attend club meetings, talk service, and see Pondicherry's French colonial streets, the Tamil Nadu coast, temples, churches, spiritual centers, historic towns, and UNESCO World Heritage sites with hosts who live there. Last January, seven Rotarians from Las Vegas and Glendora lived with families in District 3040. That week included garland welcomes, festival celebrations, home-cooked meals, late conversations, and friendships that outlasted the flight home. 2027 is a different district and a different part of India. The point of the exchange is the same. The District 5300 team is limited to eight people, first come, first served. There is no application deadline. Travel is at each participant's own expense. The only cost is airfare (approximately $1,300–$1,400) plus a small cash reserve. Hosts provide lodging, meals, and local transportation during the exchange; hotels are not normally used. Optional side trips before or after are at the participant's own expense and are outside the exchange. For more information, contact PDG Rampur Viswanath, District Friendship Exchange Chair. Phone: 509-546-1534, email: r.viswanath@yahoo.com

Amber Fuhriman said we have 3 students lined up for Ryla and if anyone is interested in being a volunteer this year to let her know as soon as possible (see announcements carried forward belows).

Pres. Jeanne reminded everyone about the shirt sign up and the picnic sign up (see below and attached picnic information). Hope to see lots of people on Saturday at the Lone Mountain Park at 11-3.

Pres. Jeanne said she received a nice thank you card from Ferron Elementary School Principal (now retired) for our recent award to her of a Paul Harris Fellowship:

SW Rotary,
Thank you for the most amazing honor of receiving the Paul Harris award. It has truly been an honor to work with your organization. Your generosity is unmatched! Maggie Putnam

Pres. Jeanne also received an update from last week's speaker regarding an important insurance question. Here is the update: "Thank you for having me speak at the Rotary Club meeting last Monday. It was wonderful to meet everyone, and I was truly honored to receive the certificate and the donation to Dementia Friends on our behalf. We're grateful for the recognition and for the work you support in the community. Regarding your insurance question: Nevada requires autonomous vehicle operators to show proof of at least $5M in insurance or self-insurance before operating on public roads (NRS 482A.060). Commercial ride services must also carry at least $1.5M in coverage per crash (NRS 706B.300). If an incident occurs, our on-the-ground support team responds to the scene, and information is exchanged with the affected party. If you need more detail on coverage specifics, I'm happy to connect you with the right person on our team. I'm looking forward to staying in touch. Please let me know of future opportunities to support the club. Best, Nicole Redler, Regional Public Affair Lead, West Coast, Zoox."

Announcements carried forward:

1. Greg Mottau has a Rotarian friend in Sedona who has 250,000 Paul Harris Fellow points and the friend is willing to match up to $500 for any member who would like to become a Paul Harris Fellow. Contact **Greg** for details.
2. Shaun Ochsner is starting a social media project and is looking for volunteers. Sign-up sheets are in the red book. He will be filming a one-to-two-minute video segment about why you are involved in Rotary and then posting it on our Facebook/Instagram pages. He is also planning to start a You Tube channel.
3. RYLA is coming on December 4-6, 2026, let us know if you have any 10th or 11th graders that would be interested. We have a deadline to submit applications coming up in a couple of weeks. Contact **Amber** for details about becoming a volunteer. Click here for the application which is due by November 6th. Check out the 2025 RYLA video by clicking here.
4. The scholarship application has been revamped and updated and is available on the homepage of our website as well as in the Vocational Service section of the site. Click here to go straight to it.
5. Greg Mottau and **Keith Thomas** are going to Puerto Vallarta 2/16/27 to 2/26/27 for the International Water Project our club has participated in the past five years. If anyone else is interested, contact **Greg** or **Keith**.
6. All the Rotary Clubs of Southern Nevada and District 5300 are invited to a "Party in the Park" on Saturday, November 7, from 11:00 AM–3:00 PM at Lone Mountain Regional Park – Area H. Oversized games for the youth. BYOPB – Bring Your Own Picnic Basket. Alcohol permitted. Small businesses are welcome to participate as vendors for just $50. Most

importantly, this is an opportunity to connect, introduce others to Rotary, and showcase the difference we make in our communities. Please mark your calendar and plan to join us — and encourage someone who may be interested in Rotary to come along! Let's make Party in the Park a great day for Rotary, fellowship and community! There is no charge to attend other than vendors. Register NOW for District 5300 Rotary Party in the Park Picnic. FOR ALL NON-ROTARIANS, they can register here. See fliers attached to the newsletter. ***Pres. Jeanne*** *would like our club to do a potluck for our members. She is volunteering to bring the hamburgers and hot dogs if someone will bring a BBQ. Let her know what sides you would like to bring.*

7. Here is an update on our Club Rotary Shirts. We have quite a list of members who would like to order shirts. The question came from some members that they wanted to look at what other options of shirts were available. So, Deb Scheffer provided a link for you to look at some other options. We are only reviewing Polo shirts. If we can narrow it down to maybe 4 options, she can order some samples and bring them to a lunch meeting for our members to check out. We will then be able to have her cost them out so you can make a final decision and be billed for your order. Please let her know if you have any questions.

RECOGNITIONS

Keith Thomas was given an extremely rare credit of $100 for his last-minute work last week putting together the 2027 luncheon calendar for Lawry's. A copy is attached in case you would like to start calendaring meeting dates. He also authored an article (see copy attached) for the District 5300 Newsletter about our recent Green our Planet project

Pres. Jeanne again reminded the club that we are dark next week for Veterans Day and invited all present who were veterans to stand and be recognized and thanked for their service. **THANK YOU, JACK WOODCOCK, CHRIS PUBLOW, GREG MOTTAU, AND FRED FUKUMOTO!**

Joe Wittenwiler should have been given a huge credit for his efforts in helping raise almost $50,000 at the Women's Council of Realtors annual "Bras for a Cause" fundraiser last week. Click here for an exceptional video.

JOKES

Tom Martin – Brad was sick of the World, of COVID-19, those who hate China, global warming, species extinction, racial tension, and all the rest of the disturbing stories that occupy the media headlines. Brad sealed himself in his garage with his car idling while listening to the radio, leading a concerned neighbor to call emergency services two days later after spotting him through the window. Emergency responders quickly arrived, pulled Brad from the vehicle, and offered him water, leaving him appearing completely fine. Brad drives a Tesla. It now has a flat battery

Bruce Pope – Hmmm, how to present **Bruce's** joke. It was all about a thirsty father and a helpful little son who brought his daddy some tea.

PROGRAM

Wen Chen, **PhD**, was our speaker today. She is a resident of Pasadena and a scientist at Caltech. As you may recall, she spoke to our club on 12/8/25 about human trafficking.

She was born in China during the Great Cultural Revolution. Hers parents were victims of this horrific atrocity that killed two million intellectuals and destroyed traditional Chinese culture. Though her parents worried that her education could cause her to be targeted for persecution by the Party, **Wen** excelled in academics and won a national prize at a science competition when she was 16. She was accepted into a top university for undergraduate studies. In 1994, she came to the U.S. for graduate school and received a doctorate in Biology at the California Institute of Technology in 2000. She has been working as a staff scientist for Caltech since 2000 as a biologist and information scientist.

Living in the US as a scientific researcher opened her eyes to how she had been brainwashed all her life by the Communist Party in China. So, she decided to become a voice for the voiceless. Since 2012, she has given hundreds of presentations to community organizations about Chinese culture, history, and human rights. She has crafted over ten topics for Rotary clubs and her workplace. Her popular topics include "Human Rights Movement in China", "Chinese Medicine and Meditation", "China's Global Impact", "History of Tea", "Human Rights of Women & Girls in China", "North Korea and China", and "Coronavirus and Chinese Censorship".

She has a blog: https://wenchenview.blogspot.com/

Dr. Chen, has a friend here in Las Vegas who teaches Falun Dafa exercise at Desert Breeze Park. Her name is Ping and you can get more information at the following link: https://en.falundafa.org/contacts/country/list-of-united-states/nevada.html

Click here for a copy of her presentation slides.

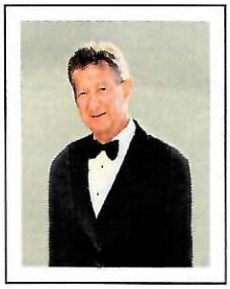

Thank so much, **Dr. Chen**, for a very interesting presentation about Chinese medicine and meditation.

CONCLUSION

We concluded with the 4-Way Test led by **Pres. Jeanne.**

Bernard Elliot Cohen, 89, our witty, generous, incorruptible father passed away peacefully during the evening of Wednesday, September 30th.

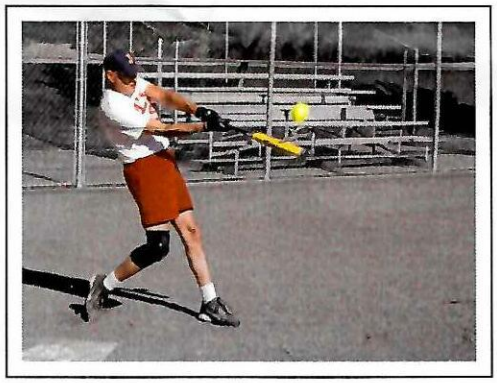

Elliot was born on February 9, 1937. He is survived by his wife Adrienne Cox and his three children: Evan Louis Cohen, Elizabeth Carole Cohen, Emily Bell Cohen, and devoted canine, Fenway Bark. He was a graduate of Albany College of Pharmacy, Class of 1958 and worked as a pharmacist for over 40 years.

He served his country doing the same in the Army at the base in Vicenza Italy from 1959 - 1961. As a result, he never met a chicken cacciatore he didn't love. He was a lifelong athlete, excelling in basketball, baseball, and pretty much every other sport or activity he took up for over 60 years. Except golf; he was just okay at golf. After the age of 50 he tried downhill skiing and became remarkably competent and injury free for decades. He won numerous medals in Masters Level Swimming, a sport he didn't even start until his 70's.

He was the undisputed king of useless knowledge, dumb humor and baseball trivia, answering the most obscure of baseball facts up until his last month on this planet. In his own subtle way, he was a teacher and mentor to his children. Under his unobtrusive guidance, we learned to shoot hoops, light fires, play chess, rack pool balls, appreciate muscle cars, swim, dive, ice skate and play racquetball. We grew to love parades, festivals, fireworks, live music and stand up comedians. Whether nature or nurture, his love of food and ability to cook made low key chefs of us all. For a good, born-and-raised Jewish kid, he made a very respectable rack of ribs and a mean lasagna.

He will be missed in so many ways: heartfelt, innumerous and profound. In lieu of sending flowers, memorial donations can be made to his alma mater, Albany College of Pharmacy: https://www.acphs.edu/alumni/donate/

Thank you for attending, Adrienne, Evan, Emily, and Elizabeth.

Rotary Volunteers Help Grow Student Entrepreneurs at Green Our Planet Farmers Market

On October 14, 2026, the Clark County Government Center became a busy marketplace of student creativity, entrepreneurship, and environmental stewardship as Green Our Planet and the Clark County School District hosted the Giant Student Farmers Market.

Rotary volunteers from various Southern Nevada clubs, led by Southwest Rotarian Toni Kern, played an important behind-the-scenes role helping organize and prepare the event so student vendors could showcase the results of months of learning and hard work.

Students from 44 Clark County School District schools participated, selling freshly grown fruits, vegetables, herbs, and handcrafted products. The market represented the culmination of hands-on STEM education through school gardens and hydroponics laboratories. Students applied lessons in science, conservation, marketing, budgeting, and business management while gaining valuable experience interacting with customers.

Green Our Planet, a Las Vegas-based nonprofit, works with schools to help students develop healthy eating habits, environmental awareness, and entrepreneurial skills through experiential learning. The Giant Student Farmers Market brings those lessons to life, allowing young people to see how their efforts can benefit their schools and communities.

Proceeds from student sales support ongoing school garden and hydroponics programs, helping sustain opportunities for future students to learn by growing.

Rotary's participation demonstrates how community service organizations can support educational initiatives through practical, hands-on assistance. From preparing the venue to helping make the marketplace ready for students and visitors, Rotary volunteers contributed to an event that connected education, sustainability, and community engagement.

The October 14 market was a reminder that when schools, nonprofits, and service organizations work together, they can cultivate more than gardens—they can help grow confident young leaders equipped to make a difference.

Subject: Upcoming Rotary Friendship Exchange

Dear Area Governor Bruce:
It was nice chatting with you at our last club meeting. Although we have seen each other many time, we did not have an opportunity to spend a few minutes chatting. We need to do this more often.
Below is a brief description of the Friendship Exchange for reccuring announcement at your club(s).

2027 Rotary Friendship Exchange – Southern India

District 2981 has invited District 5300 Rotarians to a Friendship Exchange in Puducherry and Tamil Nadu, January 7–17, 2027. The team arrives in Chennai on January 7 and departs on January 18.

This is home hospitality with fellow Rotarians. Participants stay in Rotarian homes, share meals, attend club meetings, talk service, and see Pondicherry's French colonial streets, the Tamil Nadu coast, temples, churches, spiritual centers, historic towns, and UNESCO World Heritage sites with hosts who live there.

Last January, seven Rotarians from Las Vegas and Glendora lived with families in District 3040. That week included garland welcomes, festival celebrations, home-cooked meals, late conversations, and friendships that outlasted the flight home. 2027 is a different district and a different part of India. The point of the exchange is the same.

The District 5300 team is limited to eight people, first come, first served. There is no application deadline. Travel is at each participant's own expense. The only cost is airfare (approximately $1,300–$1,400) plus a small cash reserve. Hosts provide lodging, meals, and local transportation during the exchange; hotels are not normally used. Optional side trips before or after are at the participant's own expense and are outside the exchange.

Contact PDG Rampur Viswanath, District Friendship Exchange Chair.
